Completed	Enrolled	To do
-----------	----------	-------

**Degree Information**

- Students must ensure they are correctly enrolled in accordance with the Academic [Program Rules](#).
- A total of 72 units is required to complete the Bachelor of Economics (Advanced) majoring International Economic Development.
- <sup>1</sup>Students who have not successfully completed Year 12 Mathematical Methods must complete the ECON 1005 Introduction to Mathematical Economics first, followed by the ECON 1010. Students may count the ECON 1005 as one of their Level I electives.
- Students must ensure they check prerequisites and course restrictions via the [Course Planner](#) before enrolling in a course

**Open Electives and Broadening Electives**

Open (free choice) elective courses can be chosen from the Faculty of the Professions or any faculty in the University, where courses are not restricted.

Broadening elective courses are those which are outside their primary discipline area of study and can be searched using the [Course Planner](#).

To satisfy the requirements for Broadening Electives, students must complete courses to the value of 9 units. Students in the Bachelor of Economics must choose courses outside of the subject areas specified in the [Broadening Electives list](#). These include ACCTING, CORPFIN, ECON, LAW, STATS.

List of Economics Level 1 & 3 electives can be found on this link:  
<https://www.adelaide.edu.au/professions/students/study-plans#undergraduate-electives>

**Any internship, Study tour or Graduate Career Readiness course may only be counted towards ONE of your Economics Level III electives.**

**It is recommended that you enrol for the full year. Semester – to enrol in 12 units per semester**
