Degree Information

- Students must ensure they are correctly enrolled in accordance with the Academic [Program Rules](#)
- A total of 36 units is required to complete the Master of Agribusiness.
- Students must ensure they check program admission standards and courses prerequisites and restrictions before enrolling in a course via the [Course Planner](#)
- It is recommended that students endeavour to do the AGRIBUS 7055 course as early as possible in their program

Research

¹AGRIBUS 7061 is offered in all trimesters and should be taken prior to enrolling into AGRIBUS 7063 Research Project.

²AGRIBUS 7063 should be done at the end of your studies subject to the course scheduling.

A student who wishes to pursue higher degree by research studies in the future should complete the 9 unit research project (7062A/7062B) and may only take courses to a value of 3 units as electives.

Electives

Students can opt to choose other AGRIBUS courses as general electives or choose from any Postgraduate degree courses.

Global Experience

A Global Exchange may be included in your program. Please contact us through the information below.
