GENERAL ENGLISH FOR ACADEMIC PURPOSES (GEAP)

THE UNIVERSITY OF ADELAIDE'S ENGLISH LANGUAGE CENTRE

The General English for Academic Purposes (GEAP) program is for students who wish to develop their language skills at one of the most prestigious universities in Australia.

GEAP offers something for all students, from beginners with basic English skills to advanced students seeking high level tuition. To ensure you are enrolled in the appropriate level, you will sit a short placement test before your first class. The test involves reading, writing and listening and assesses vocabulary, grammar, written expression and the understanding of meaning in a conversation.

You can study the GEAP as a stand-alone program for personal or professional advancement or to gain credit towards a degree in your home University. GEAP can also be used as a pathway to the University of Adelaide if you have not met the minimum

English requirements for the Pre-Enrolment English program (PEP).

Design your own GEAP

To help you achieve your own personal language goals, you can customise your GEAP program by choosing a Friday GEAP Specialisation class that best suits your needs.

Focus your learning with a choice of classes:

- Global Communication Skills
- Global Citizenship
- Australian Studies and Popular Culture
- Academic Skills Preparation and TOEFL

- IELTS Preparation

PRE-ENROLMENT ENGLISH PROGRAM (PEP)

The Pre-enrolment English Program (PEP) is a direct entry pathway for students that have not met the minimum English language entry requirements of their University of Adelaide undergraduate or postgraduate program.

The length of your program depends on your English language proficiency test score.

If you successfully complete the PEP at the required level, you do not need to sit another English test before entering your University program.

The PEP is offered in lengths of 10, 15, 20, 25, 30 and 35 weeks.

PEP Extended Programs

The PEP 30 and 35 week courses combine General English for Academic Purposes (GEAP) classes and Pre-enrolment English Program (PEP) classes. Commencing in the GEAP allows you to further develop the fundamental linguistic building blocks of grammar and vocabulary for academic level study, before progressing to English classes specifically tailored to prepare you for entry to your award program.

- PEP Extended 30 week students will complete 5 weeks of GEAP before commencing 25 weeks of PEP classes.
