of ADELAIDE

University of  
South Australia

## Adelaide University

*a new university for South Australia*

We're planning for an exciting  
new future.

The new Adelaide University, which is targeted to open in January 2026, combines the strengths of the University of Adelaide and the University of South Australia (UniSA) to provide modern, industry-aligned education. Admissions in 2025 remain unchanged. Students transitioning to the new institution will be highly supported and graduates from 2026 will receive their degrees from Adelaide University, pending regulatory approvals.

THE UNIVERSITY  
of ADELAIDE

# Why choose the University of Adelaide?

At the University of Adelaide, we unite and serve those striving to change the world—and themselves—for the better. This is a place where you can make history.

Established in 1874, we're home to over 22,700 students and 3,000 staff, all working to create progress. Ours is a university of outstanding quality—ranked 89th in the world\*—in the heart of one of Australia's most liveable cities†.

## Relentlessly progressive

Adelaide has always broken new ground. We were Australia's first university to welcome

**Globally top-100 ranked university**

*Times Higher Education and QS ranking*

**Associated with 5 Nobel laureates**

**Member of the Group of Eight**

*A coalition of Australia's leading research-intensive universities*

**Produced over 110 Rhodes Scholars**

**171,828 alumni**

female students. The first offering science and business degrees. One of the first with a conservatorium of music.

Among those who've studied, taught, or conducted research here are Australia's first: female prime minister; space-walking astronaut; Indigenous Rhodes Scholar; and female Supreme Court judge and state governor. Not to mention five Nobel Prize winners.

### Exceptional research and education

As a member of Australia's prestigious Group of Eight research-intensive

universities, we're rising to global challenges with research universally rated world-standard or above^.

In fact, our output is recognised as 'well above' world standard in 41 distinct areas. These range from space sciences, materials engineering and AI, to cardiorespiratory medicine, crop production and environmental science.

As a teaching university, we're ranked among the top 100 globally in 27 subject areas†. In eight—including computer science, dentistry and civil engineering—we're top-50.

We also lead our state in graduate employability\*\*. Our degrees combine deep discipline knowledge with broad, transferable skills, ensuring graduates are well prepared for multidimensional careers in the future workforce.

\* *Times Higher Education World University Rankings, 2024.*

† *Economist Intelligence Unit, 2022.*

^ *Excellence in Research Australia, 2018 (the most recent assessment date).*

‡ *Total unique entries across QS World University Rankings by Subject (2023), Times Higher Education (2023), and Academic Ranking of World Universities by Subject (2022).*

\*\*QS Graduate Employability Ranking, 2022.

# Your study in your time

## Example study plan

See how your first year as a Bachelor of Media with a major in Immersive Media student might look.

### First year study plan

Semester 1			
Core courses			Immersive Media Major Course
Key Concepts in Media	Digital Platforms	Approaches to Culture	3D Imaging
Semester 2			
Core courses		Elective	
Media Professions and Identities	Introduction to Virtual Reality Design	Object Oriented Programming	Design Fundamentals

## Study overseas as part of your degree

[adelaide.edu.au/study-overseas](https://adelaide.edu.au/study-overseas)

Study Overseas supports students completing part of their degree overseas, with offerings including exchange programs, study tours, study abroad, practical experiences, and onshore programs to develop students' intercultural awareness. Whether it's a short 2-week study tour in China or a whole year of exchange in France, you can choose an experience that suits you.

## Want to get a headstart on uni?

[adelaide.edu.au/headstart](https://adelaide.edu.au/headstart)

The University of Adelaide's Headstart scholarship program gives high achieving students the opportunity to study at university while still in Year 12—and have these university studies count towards their SACE and Selection Rank. Headstart provides students with an opportunity to find out what university life is like before they even finish school and the chance to grow as individuals as they combine secondary school and university studies. Headstart students may also receive credit towards their degree if they enrol in a University of Adelaide program after high school.

# Campus life

This diary snapshot is only one example of how a student may choose to schedule their university study and life. Attendance at university is less structured than time spent at high school. The hours spent on campus in lectures, tutorials, practicals or in the field—known as 'contact hours'—depend on the program students enrol in, study mode selected (internal, external, online or flexible learning) and course choices.

Weekly Planner	
Monday	Tuesday
10am English lecture	9am French tute
1pm French language lab	10am History tute
3pm History lecture	12 noon Lunch with Alice
6pm Gym	2pm English seminar
	4pm Reading in the Library
Wednesday	Thursday
12noon English lecture	9am French tute
1pm English seminar	2pm Work
6pm Gym	7-9 Uni hockey match at Uni Oval 2
7.30pm Work on French assignment	
Friday	Notes
10am Work	
7pm Movies with Sam	

# We'll support you on your journey

The University offers a range of support services to help our students succeed.

Friendly staff are available to help with a range of issues, from helping students manage their studies to assisting with enquiries relating to academic or personal support. They also support students to address personal issues that may be affecting their studies, or simply help them adjust to their new life at university. In addition, doctors at our North Terrace campus Health Practice can provide students with year-round health support at a reduced fee.

## Ask Adelaide

[adelaide.edu.au/ask-adelaide](https://adelaide.edu.au/ask-adelaide)

Ask Adelaide is available to answer all general student enquiries by live chat, phone, email or in person. Services include: general enquiries and directions; enrolment support; ID cards; printing, device and WiFi setup; exams and graduation support; assistance with official letters and more.

## Accommodation Services

[adelaide.edu.au/accommodation](https://adelaide.edu.au/accommodation)

For students looking to relocate to Adelaide for their studies, our professional team of accommodation specialists are available to help (24 hours a day, 7 days per week) to provide general accommodation information, tenancy support and to apply for a place in University managed student accommodation.

## Careers Services

[adelaide.edu.au/student/careers](https://adelaide.edu.au/student/careers)

The service provides individual advice and employability workshops to help students develop career management skills; an extensive database of employment opportunities and resources known as CareerHub; and annual career-related events including the Careers Expo and employer-on-campus sessions. The service also offers expertise in locating graduate vacancies.

## Women in STEM Careers program (WiSC)

[set.adelaide.edu.au/women-in-stem](https://set.adelaide.edu.au/women-in-stem)

WiSC provides professional development opportunities for young women studying a STEM degree at the University of Adelaide.

## Writing Centre

[adelaide.edu.au/writingcentre](https://adelaide.edu.au/writingcentre)

Support with writing academic English through one-on-one advice from writing mentors, workshops and comprehensive support resources.

## Maths Learning Centre

[adelaide.edu.au/mathsllearning](https://adelaide.edu.au/mathsllearning)

Help for all students to develop mathematics skills at every level, with drop-in sessions, lectures, games and resources.

## Peer Assisted Study Sessions (PASS)

[adelaide.edu.au/pass](https://adelaide.edu.au/pass)

Regular extracurricular sessions led by student mentors to help students improve their grades in specific courses.

## Childcare

[adelaide.edu.au/childcare](https://adelaide.edu.au/childcare)

Full-time and part-time care for children of students and staff is available for a fee, with locations at our North Terrace and Waite campuses.

## Counselling Support

[adelaide.edu.au/counselling](https://adelaide.edu.au/counselling)

Support is free, confidential, and available to all enrolled students seeking to address issues that may affect their study or life.

## Disability Support

[adelaide.edu.au/disability](https://adelaide.edu.au/disability)

The Disability Support team provide personalised advice and assistance to students who have a diagnosed disability or ongoing medical condition, to help them identify relevant reasonable adjustments to help with their studies.

## Elite Athlete Support

[adelaide.edu.au/eliteathletes](https://adelaide.edu.au/eliteathletes)

Support to help elite student athletes balance their academic and sporting commitments, by providing a flexible and responsive approach to study.

## Student Health and Wellbeing

[adelaide.edu.au/student/wellbeing](https://adelaide.edu.au/student/wellbeing)

An online resource to provide information and support to students on a range of health and wellbeing topics, campaigns and events.

## Health Practice

[universityhealthpractice.com.au/](https://universityhealthpractice.com.au/)

Comprehensive health care is available at a reduced fee for all students and staff, with male and female doctors (GPs) offering health checks, immunisations and mental health support.

## Library

[adelaide.edu.au/library](https://adelaide.edu.au/library)

One of the state's most extensive research collections, also offering quiet study spaces, and support from specialist research librarians.

# Be part of our community

Attend  
O'Week

Come to a  
free on-campus  
event

Join  
a club

Volunteer

There's always plenty to see and do while you're studying at one of our campuses. O'Week is just the start—you'll discover a wide variety of events and activities are hosted throughout the year for you to enjoy.

## Campus life

[youx.org.au](https://youx.org.au)

YouX (historically the Adelaide University Union) was established by students in 1895 to enhance the student experience at the University of Adelaide. YouX hosts music, wellbeing and social events throughout the year—and supports over 160 student clubs!

## Student services

- **Student Care**  
[youx.org.au/support/studentcare](https://youx.org.au/support/studentcare)

# Pathways to Adelaide

There are many ways you can gain entry into one of our degrees.

## Selection rank (ATAR plus adjustment factors)

If you have qualified for the South Australian Certificate of Education (SACE) or hold an equivalent recent year 12 qualification (including the International Baccalaureate Diploma), and achieve a competitive selection rank, you can use this as a pathway into University.

You compete for a place with your Selection Rank (ATAR plus any applicable adjustment factors). For the majority of our undergraduate programs, you must

not have completed more than 2 years full time equivalent university study (48 units).

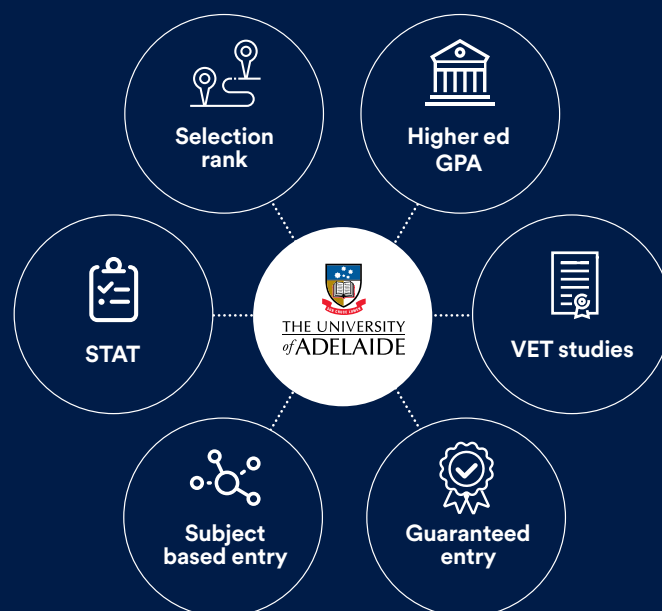

Some programs take additional factors into account as well as or instead of your ATAR, such as auditions, the UCAT, oral interviews, etc. For details on your program of choice, visit Degree Finder: [adelaide.edu.au/degree-finder](https://adelaide.edu.au/degree-finder)

## Guaranteed entry

Whether you complete the International Baccalaureate or achieve an ATAR through the SACE (or equivalent), Guaranteed Entry gives you certainty when applying to study at the University of Adelaide. Most of our undergraduate degrees have a fixed entry selection rank (including adjustment factors) which means, if you achieve that selection rank or higher and

meet any additional admissions criteria such as subject prerequisites, you are guaranteed entry to that degree.

### Subject-based entry

Students who have not achieved a competitive Selection Rank (ATAR plus any applicable adjustment factors) required for selection may still be eligible for entry to some of our most popular degrees based on their grades in selected year 12 subjects. You don't need to apply to be considered for subject-based entry, as this will automatically be done by SATAC on behalf of the University. Note: You must have completed your SACE and achieved an ATAR to be considered. For more information, visit: [adelaide.edu.au/study/undergraduate/entry-pathways/recent-secondary-education](https://adelaide.edu.au/study/undergraduate/entry-pathways/recent-secondary-education)

### STAT (Special Tertiary Admissions Test)

Never completed year 12 or any other higher education? You may wish to use the Special Tertiary Admissions Test (STAT) to gain entry to University. The STAT is a two-hour, multiple-choice test designed to assess a range of skills and knowledge needed to study at university.

The Australian Council for Educational Research (ACER) coordinates the STAT. To sit the test, you'll need to be over 18 years old before 1 February in the year that you wish to commence study. If you have been enrolled in the last two years,

you must not have done more than two years (full-time) tertiary study in total. For more information, visit: [stat.acer.org/au](https://stat.acer.org/au)

### Higher ed GPA (Grade Point Average)

If you already have completed at least six months (full-time) of a recognised higher education program at a recognised higher education institution, you can use your Grade Point Average (GPA) to gain entry to the University of Adelaide.

### Internal transfer

Perhaps you gained entry to a degree that was not your first preference or, after completing a few courses, have changed your mind about what you'd like to study. You can use your GPA (or any eligible previous qualifications) to apply for what is called an internal transfer. This is an option available to students who may have already started studying in one degree and, for a range of different reasons, would like to transfer into another degree at the same university. Please note that not all degrees are available via internal

transfer. If unsure, you can always reach out to our friendly student advisors for assistance.

### VET Studies (Certificate IV or higher)

Have you completed a TAFE or VET qualification at a certificate IV or higher? Your completed qualification can gain you entry to many of our degrees.

For students that have studied at either TAFE SA or other Registered Training Organisations (RTOs), most Certificate IV Courses (including former Advanced Certificates or equivalent) meet the minimum entry requirements for a wide range of our undergraduate degrees. In some instances, a successfully completed Diploma or Advanced Diploma will be required to meet the minimum entry requirements.

# Steps to success

Ready to make history? Your journey starts here.

## Step 1

### Explore your study options

Researching your study options is an important first step, and there are many different tools and resources available to help you. You could start by reading through this booklet or heading online to explore our Degree Finder website.

Attending an Open Day is another great way to get a feel for what university life is like, talk to lecturers and current students, and learn about the range of services available to support you during your university studies. You could also book a time to chat with one of our friendly advisors to ask any specific questions you may have.

**Helpful tip:** We've developed a range of useful resources to help you throughout your Year 12 studies including: workshops, study resources, revision courses and more. See the helpful links section below for more information.

#### Scholarships

[adelaide.edu.au/scholarships](https://adelaide.edu.au/scholarships)

#### Student support services

[adelaide.edu.au/student/life/](https://adelaide.edu.au/student/life/)

## Step 2

### Check you meet the eligibility and entry requirements

All degrees have entry requirements—these are specific criteria you have to meet in order to be eligible for entry into a degree. Each degree will have different entry requirements, so it's important to find out what these are for your chosen degree and make sure you can meet them.

Entry requirements can include things like:

- prerequisites you will need to complete either during your high school (SACE/IB) studies, bridging courses or approved alternatives.
- assumed knowledge subjects that, while not essential for admission into a degree, will help prepare you for many of the topics you'll come across during your degree.
- non-standard entry requirements, such as: attending an interview, undertaking additional assessments (e.g. the UCAT ANZ), performing an audition, submitting a written statement or creative portfolio.

## Step 3

### Apply via SATAC

Applications open in early August for study starting in the following year. You can apply for your chosen degree/s through the SATAC website.

Before you apply, it's a good idea to familiarise yourself with the application process. This includes things like key dates and deadlines for applications, as well as SATAC fees and charges and when to pay.

For more information, visit the SATAC website.

**Please note:** for certain degrees that have non-standard entry requirements—such as medicine, dentistry, oral health, veterinary bioscience—key dates and deadlines for applications may differ. For the most up-to-date information, visit Degree Finder.

## Step 4

### Keep your preferences up to date

As part of your SATAC application, you'll be asked to list up to six preferences—these are the six degrees you are most interested in studying. SATAC makes offers by working down your preference list, so it's important to make sure your first preference is the degree you want to study most.

If you change your mind after you've submitted your application, don't worry.

SATAC allows you to check and change your preferences as many times as you want before the cut-off date for your specific offer round. For a list of key dates, visit SATAC's website.

**Helpful tip:** Be sure to include some 'back up' options on your application. If you need support in choosing the best back up options or pathways into your dream degree, get in contact with our friendly future student advisors.

## Step 5

### Check your offer

SATAC run several smaller offer rounds, one main offer round, then continue to make offers in the lead up to the start of the study period you applied for. SATAC makes offers for the highest preference you are eligible for. This means the degree you most want to study should be your first preference. Remember to check all email folders—including your Spam folder—for your offer.

**Helpful tip:** Didn't receive an offer for your first preference? Don't stress—you'll still be considered for future rounds!

## Step 6

### Accept your offer

An offer email will be sent to the email address you provided on your SATAC application. If you have received an offer you don't need to respond, as SATAC will accept the offer on your behalf. If you would like to defer your offer until the following year, you will need to log in to your application through the SATAC website and change the response to the 'Defer' option.

If the offer you received was for a degree that is not your first preference, SATAC will accept the offer but note that you would still like to be considered for an offer to your higher preference(s).

## Step 7

### Welcome to the University of Adelaide!

After accepting your offer, we'll send you an email outlining important information to help you get started at University, including your new University ID number.

At this stage, you can start to plan your timetable, enrol, attend orientation activities, and begin your university journey!

**Welcome to  
the University  
of Adelaide!**

# Our facilities

## Learn in state-of-the-art facilities

With modern infrastructure and an innovative culture, the University of Adelaide has all the ingredients to help you succeed throughout the duration of your studies.

Whatever your area of study, you'll have access to a wide range of state-of-the-art facilities and services—across our various campuses—all designed to support your academic success.

## Fully furnished workshop, studio, and rehearsal spaces

Whatever your creative endeavour, we have the ideal space for you to learn, practice and perfect your craft. This includes our:

- recording studios, fitted with the latest industry-standard production software
- purpose-built dance and performance spaces
- soundproof practice rooms
- Innovation Studio
- VR suites and more.

## Innovation Studios and 3D Prototyping Lab

Our Innovation Studios are fully-equipped workshops where students can develop ideas, manufacture components and produce prototypes for projects. Our 3D prototyping lab houses 'Big Rep' the largest 3D printer of its kind in the southern hemisphere. Big Rep can print using a carbon-filled PLA to produce stronger parts, and students can check their projects' progress remotely.

Our facilities

## VR suites

For students honing their expertise in immersive technologies and all XR has to offer, our VR suites provide the perfect environment. Equipped with the latest cutting-edge hardware and development software, students learn technical skills in 3D modelling, digital sculpting, rigging/animation, texture painting, game-engine lighting, sound design and more.

# Our study areas

Our study areas

Do you feel sure of where your career interests lie, but unclear about which degrees can help you get your start? Then this section's for you.

### In the following pages you'll find:

Brief descriptions of broad career and study areas that you can pursue at the University of Adelaide, arranged in alphabetical order.

Some of the key reasons why our University is one of the best places in the world to study in those fields.

Listings of all the relevant degrees we offer in each area, along with page-number references so you can quickly turn to their full descriptions.

# Architecture

Enhance lives by creating dwellings, buildings, landscape spaces and/or major structures that deliver function, beauty and sustainability.

**Employment for Architects and Landscape Architects projected to grow 17% by 2026\***

**Rated five stars for student support<sup>^</sup>**

**04**

**Four professional accreditations<sup>†</sup>**

### State-of-the-art technology

Studying architecture, landscape architecture or construction management at the University of Adelaide will ensure you're highly proficient in the use of all critical technologies driving those industries. The cutting-edge facilities you'll have access to include:

- computer-aided architectural design (CAAD) studios
- a model-making laboratory with laser and foam cutters
- 3D scanners/digitisers and modelling systems
- BIM (building information modelling)
- 3D printers.

### Quality defined by experience

Many forms of 'experience' will come together during your time with us to ensure that you gain an education—and contemporary, real-world skills—of the highest calibre:

- You'll learn from practising, highly experienced and award-winning industry professionals.
- Your teachers themselves will draw from - and pass on to you - educational insights gained from our proud history of 60-plus years of experience in architectural training.
- You will have the opportunity to travel interstate and overseas as part of your degree to observe and study outstanding structures first-hand.

- And you'll have multiple opportunities throughout your studies to hone your developing skills on real-world projects, including through industry internships.

### Career prospects

Employment growth for architects, landscape architects, construction managers and architectural engineers ranges from strong to very strong\*.

Please note, however, that if you aspire to become a registered architect or landscape architect, you'll need to complete additional postgraduate study. Our Master of Architecture and Master of Landscape Architecture satisfy this requirement.

<sup>\*</sup> Australian Government, *Labour Market Insights*, 2023.

<sup>^</sup> *Good Universities Guide*, 2022-23 (Undergraduate architecture)

<sup>†</sup> Australian Institute of Architects; Australian Institute of Landscape Architects; Architectural Practice Board of South Australia; Royal Institution of Chartered Surveyors.

#### Undergraduate

- Bachelor of Architectural Design
- Bachelor of Construction Management
- Bachelor of Construction Management (Honours)
- Bachelor of Engineering (Honours) (Architectural and Structural)

#### Postgraduate coursework

- Master of Architecture with Master of Landscape Architecture
- Master of Architecture by coursework
- Master of Construction Management
- Master of Landscape Architecture
- Master of Property

#### Degrees

# Arts

Careers that fall within the arts and humanities banner are concerned with how society works, how we communicate, and how we can thrive.

**Ranked 51-90  
globally in  
Classics and  
Ancient History\***

**Internships  
for real-world  
experience**

**Employment  
in 'Arts and  
Recreation  
Services'  
projected  
to grow 10%  
by 2026<sup>†</sup>**

## Incredible subject choice

Our arts and humanities degrees cover a huge range of interests and human activity—from the creative arts, languages, history and media, to criminology, international development, environmental policy and politics. They can equip you to succeed in a wide variety of valuable and rewarding roles, such as in:

- government and public service
- social planning and policy development
- foreign affairs and diplomacy
- festival management and cultural curation
- crime prevention
- humanitarian work
- the creative industries
- journalism.

## An enviable location

The University of Adelaide presents an ideal location for studying the arts. Our main campus' position in the heart of our city's central business district and cultural precinct puts a vast number of related bodies and organisations—government, private sector and not-for-profit—within an easy walk.

Capitalising on this advantage, you'll have ample opportunity to deepen your real-world understanding through hands-on experience with one of these organisations in an extended internship.

## Career prospects

Employment growth for arts-and humanities-related roles range broadly from stable to very strong\*.

\* QS World University Rankings by Subject, 2023.

† Australian Government, Labour Market Insights, 2023.

### Degrees

#### Undergraduate

- Bachelor of Arts
- Bachelor of Arts (Advanced)
- Bachelor of Criminology
- Bachelor of Environmental Policy and Management
- Bachelor of International Development
- Bachelor of International Relations
- Bachelor of Languages
- Bachelor of Media
- Bachelor of Philosophy, Politics and Economics
- Bachelor of Sociology

#### Postgraduate coursework

- Master of Curatorial and Museum Studies
- Master of Environmental Policy and Management
- Master of Immersive Media Technologies
- Master of Media (Strategic Communication)
- Master of Public Policy

# Media

Media professionals are at the forefront of creativity and innovation in communication, education and entertainment.

**Ranked top-176  
globally for  
Arts and  
Humanities\***

**South Australia's  
widest range of  
media industry  
internships  
for real-world  
experience**

**Learn from  
world-leading  
academics and  
industry experts**

## Huge variety of career paths

Our media-related degrees offer enormous scope to follow your individual interests and passions. There are 8 different specialisations to choose from in our Bachelor of Media alone, including:

- Social Media and Digital Promotion
- Immersive Media (including virtual and augmented reality)
- Visual Design
- Story Production (including for TV, cinema and online)
- Journalism
- Marketing
- Digital Humanities
- Film Studies.

## Our industry links, your advantage

The University of Adelaide presents an ideal location for media study. Our main campus's position in the heart of our city's central business district and cultural precinct puts a vast number of related bodies and organisations - government, private sector and not-for-profit - within an easy walk.

Capitalising on this advantage, you'll have ample opportunity to deepen your real-world understanding through hands-on experience with one of these organisations in an extended internship.

Internships are a great way to develop industry connections and networks and provide you with the opportunity to apply knowledge and skills into real-life situations. All Media students—both undergraduate and postgraduate—have the opportunity to undertake one, or many, industry internships throughout the duration of their studies.

With knowledge backed by hands-on industry experience, our media graduates emerge career-ready and highly sought-after by employers.

## Career prospects

Employment growth for the majority of media-related roles ranges broadly from moderate to very strong†.

\* QS World University Rankings by Subject, 2023.

† Australian Government, Labour Market Insights, 2023.

### Undergraduate

- Bachelor of Media

### Postgraduate coursework

- Master of Immersive Media Technologies
- Master of Media (Strategic Communications)

### Degrees

# Music

Music professionals use the medium of sound to entertain and convey emotion, to engage our minds and feed our souls.

**Major partnership with the Australian String Quartet (ASQ)**

**Rated five stars for skills development and overall experience\*\***

**Strong industry internship opportunities**

Music professionals use the medium of sound to entertain and convey emotion, to engage our minds and feed our souls.

## Experience a remarkable musical culture

As a University of Adelaide music student you'll be part of an incredibly rich history. Our Elder Conservatorium was established in 1898 as one of the first conservatoriums of music in Australia.

We've built close ties with other leading musical institutions around the world, including in the UK, USA, Canada, Asia and Europe. Our graduates have gone on to hold positions of national and international influence across the industry. This includes as performers, composers, educators, scholars and administrators.

## Gain strong industry connections

Whichever musical path you choose with us—and we offer many—you'll benefit from a breadth and depth of industry connections that only an institution of our standing can provide. Your opportunities will include:

- exciting industry internships
- guest instruction and mentoring from leading professionals
- frequent networking opportunities with potential employers at student performances and other on-campus events.

Your learning will be enriched even further through the industry partnerships our Elder Conservatorium of Music has forged both nationally and internationally—including our major partnership with the Australian String Quartet (ASQ).

Through their position as the University's Quartet-in-Residence, the ASQ undertake vital work on campus, providing world-class engagement opportunities for students and the wider community through a diverse annual schedule of concerts, masterclasses, open rehearsals and string musician coaching, and support innovation and research outputs in the creative and cultural sectors.

## Career prospects

Employment growth for music-related roles is predicted to remain stable†.

Your passion for music could take you anywhere from being a session musician, composer or recording artist, to a songwriter, musical theatre performer, producer, sound engineer or music teacher.

# Centre for Aboriginal Studies in Music (CASM)

## What is CASM?

CASM is a specialist Australian Indigenous music centre located within the Elder Conservatorium of Music. It provides specialised, tertiary-level, University-based music programs for Aboriginal and Torres Strait Islander musicians, and is an important centre for Australian Indigenous music production.

## CASM Foundation Year

CASM offers an inspiring and engaging Foundation Year program, which is delivered over two semesters and provides a pathway for Indigenous Australians into university.

We offer:

- specialist music training
- access to a music recording studio
- Indigenous tutoring assistance
- preparation for further study in music and other degrees
- student accommodation service.

Our program is HECS-HELP free, ABSTUDY approved and is open to Aboriginal and Torres Strait Islander Australians aged 17 years and over.

## CASM studios

Throughout their studies, CASM students are actively involved in musical composition, performance and recording, including studio production. Much of this work is undertaken in the CASM studios, which provide state-of-the-art rehearsal and recording facilities.

## Further studies at CASM

CASM offers prerequisite-free courses in Indigenous music for undergraduate students, as well as specialised research training in Indigenous music studies for honours and higher-degree-by-research students.

## Careers and further study pathways

CASM prepares graduates to participate in professional life as performers, composers, arrangers, educators, researchers, sound engineers, producers, arts administrators, researchers, and more. Students regularly participate in community performance events and learn about the music industry, developing skills useful for community development activities involving music.

Students are also prepared for ongoing study and training in a variety of fields, including: music, teacher training, education, sound engineering, psychology, community development, youth work, arts management, health, linguistics, arts, theatre, media and broadcasting, visual arts and dance, and research.

## Student support

CASM programs are ABSTUDY approved, and available to students from around Australia. Studies at CASM may be taken part-time, although ABSTUDY support requires a 0.75 full-time equivalent study load. Aboriginal and Torres Strait Islander students at the University of Adelaide can obtain support through Wirltu Yarlur Aboriginal Education, and the University's wider support services.

Individualised academic support is provided through the Indigenous Tutorial Assistance Scheme, which offers free tutorial support for Indigenous students. Wirltu Yarlur also provides student support in areas such as ABSTUDY, accommodation, financial assistance, facilities, learning support, mentoring, scholarships, and cadetships.

## How to apply for CASM programs

Selection for CASM programs can take place at any time, though most applicants apply between September and January for a Semester 1 start, or from June to July for a Semester 2 start.

For more information and an application form, visit [ua.edu.au/casm-foundation](http://ua.edu.au/casm-foundation) and select Apply Now, or email CASM at [casm@adelaide.edu.au](mailto:casm@adelaide.edu.au)

# Our degrees

Our degrees

Ready to start making some choices? The following pages contain full descriptions of our suite of degrees, arranged in alphabetical order.

As well as describing what each degree involves and where it could take you in your career, the entries also include key details such as:

- degree duration
- which campus or campuses they're studied at
- any prerequisites you need to have completed
- SATAC code
- guaranteed entry score where applicable.

And just in case you missed them, you can return to our study area summaries at any time to get an idea of what degrees most closely relate to your career interests.

## Bachelor of Architectural Design

**SATAC code** 314131

**Duration** 3 years full-time

**Campus** North Terrace

**Guaranteed entry** ATAR: 80 or IB/interstate/overseas equivalent

**Enquiries** [adelaide.edu.au/degree-finder](http://adelaide.edu.au/degree-finder) (search *architectural*)

Design goes far beyond the visual. It responds to possibilities and limits, to hopes and needs. It's equal parts creative and calculated.

Architectural design is about understanding landscapes and the way humans create places within them. Architecture, landscape architecture and urban design share the purpose of aiding society while creating structural works of art. We are ranked #1 in South Australia for Architecture and Environment.\*

### What will you do?

Our Bachelor of Architectural Design hones concrete skills and encourages big picture thinking. You will:

- visit notable building sites, landscapes, gardens and exhibitions
- gain high-level practical design and model-making skills
- practise computer and hand based drawing techniques
- explore relevant theory, history, tradition and innovation
- consider issues of ecology and environment
- learn how to formulate effective proposals.

### Careers

- Construction Manager
- Environmental Designer
- Architect

### You might also be interested in

- Bachelor of Construction Management
- Bachelor of Engineering (Honours) (Architectural and Structural)
- Bachelor of Engineering (Honours) (Civil)

## Diploma in Arts

**SATAC code** 316181

**Duration** 1 year full-time

**Campus** North Terrace

**Guaranteed entry** ATAR: 55 or IB/interstate/overseas equivalent

**Enquiries** [adelaide.edu.au/degree-finder](http://adelaide.edu.au/degree-finder) (search *arts*)

At the University of Adelaide, we support broad learning and insight across fields.

The diploma is a pathway into university for students struggling to meet entry requirements on completion of year 12. It's a great opportunity to see if pursuing Arts at uni is for you, with the possibility of transferring into a bachelor program once you have some study under your belt.

### What will you do?

Our Diploma in Arts is equal to 24 units. The diploma offers all the Arts majors listed in the Bachelor of Arts entry, other than: language studies, Mathematical Sciences, and Psychology. Unlike in the Bachelor of Arts, a major in Liberal Arts is available through the diploma.

### Careers

- Arts Administrator
- Advertising Officer
- Communications Officer

### You might also be interested in

- Diploma in Arts (Specialisation)
- Bachelor of Arts
- Bachelor of Sociology

## Diploma in Arts (Specialisation)

**SATAC code** 316321

**Duration** 1 year full-time

**Campus** North Terrace

**Prerequisites** Enrolment in, or graduation from, an undergraduate or postgraduate degree at the University of Adelaide or another recognised tertiary institution.

**Enquiries** [adelaide.edu.au/degree-finder](http://adelaide.edu.au/degree-finder) (search *arts*)

You don't have to sacrifice your interest in the Arts. At the University of Adelaide, we support broad learning and insight across fields. With our diploma, you can pursue an Arts major while completing an undergraduate degree outside the Arts realm.

### What will you do?

Our Diploma in Arts is equal to a full major (24 units). If you're enrolled in another undergraduate degree, this generally adds a year to your time at university.

The diploma offers all the Arts majors listed in the Bachelor of Arts entry, other than: language studies, Mathematical Sciences, and Psychology. Unlike in the Bachelor of Arts, a major in Liberal Arts is available through the diploma.

### Careers

- Anthropologist
- Linguist
- Market researcher

### You might also be interested in

- Diploma in Arts
- Bachelor of Arts

# Bachelor of Arts

**SATAC code** 314071, various (see entry below)

**Duration** 3 years full-time

**Campus** North Terrace

**Guaranteed entry** ATAR: 70 or IB/interstate/overseas equivalent

**Enquiries** [adelaide.edu.au/degree-finder](http://adelaide.edu.au/degree-finder) (search arts)

A Bachelor of Arts lets you dive into higher learning with flexibility and freedom. We support your interests in the broad and vital study of history, society, culture and creativity.

The University of Adelaide is ranked in the top 200 for Arts and Humanities globally\*. From Classics to Criminology, Gender Studies to Geography—you can choose from the greatest number of study areas in the state.

## What will you do?

Based on North Terrace, you'll study in the centre of Adelaide's cultural hub, surrounded by iconic establishments and festivals. You will:

- experience a modern learning program taught with a global perspective
- learn from deeply passionate and knowledgeable academics
- build a suite of skills in critical thinking, communication, and research
- form strong networks with your peers and teachers
- develop professional connections in government, business and the community sector through internships
- gain international experience through optional exchanges or study tours.

You'll focus your interests in any of the following areas:

- **Anthropology** (SATAC code 334241)  
Study society and culture in all its variety. Anthropology helps us understand why humans have different ways of thinking, feeling and acting, and why humans as social beings similarly participate and identify in music, sport or religion.
- **Art History and Visual Culture** (SATAC code 334251)  
Explore the making, meaning, reception and consumption of historical and contemporary images and objects, and develop visual literacy in the areas of analysis, critical thinking, and persuasive communication skills.
- **Australian Studies** (SATAC code 334271)  
Explore Australia's past, present and future, through topics such as culture, diversity, Indigenous experience and the environment. You'll investigate complex matters of social justice, gender and human rights as they relate to Australia.

- **Chinese Studies** (SATAC code 334281)

China is the world's second-largest economy and a crucial partner in Australia's economic success. Nearly 20% of our global population speaks their official language. In a fast-changing world, mastering Mandarin will only open doors. The University of Adelaide has student exchange links with top Chinese universities, including a close partnership with Shandong University.

- **Classics** (SATAC code 334291)

The cultures, societies, religions, literatures and political ideas of ancient Greece and Rome have left potent legacies. In Classics courses you'll develop analytical research skills while learning about aspects of archaeology, history, art, thought, literature, society and politics from the birth of civilisation.

- **Creative Writing** (SATAC code 334301)

Get a practical introduction to creative writing and learn ways to begin and develop a sustained and reflective writing practice that includes revising and editing. The production-focused nature of this major will help you become a more proficient and versatile writer.

- **Criminology** (SATAC code 334311)

Study crime and deviance as a social phenomenon. Criminology aims to understand why people commit crimes, our social responses to it, and methods of crime prevention.

- **Cultural Studies** (SATAC code 334321)

To understand society it's important to develop critical skills to analyse how cultural practices are produced, circulated and negotiated. Explore the way we understand ourselves and others through film, social media, literature and music, fashion and objects, Indigenous cultures and history, gender and sport.

- **Digital Humanities** (SATAC code 334331)

The digital revolution has only just begun. Today's young people will experience more change in their lifetimes than any previous generation of human beings. Delve deeply into the digital humanities in preparation for the future.

- **Economics** (SATAC code 334341)

Investigate human behaviour and its consequences in a world with scarce resources; how the economy works in the context of global economic forces; and how governments deal with issues such as unemployment, international trade and taxation.

- **Education** (SATAC code 334351)

Interested in education, but not necessarily teaching? Studying education helps you understand the ways in which people learn and equips you with strong foundational knowledge and skills that are transferable to a wide range of educational and non-educational roles in a variety of organisations.

- **English** (SATAC code 334361)

Analyse the ways in which cultural products, including literature and film, shape our understanding of ourselves and our social contexts. You'll be given the opportunity to learn, think, and write critically about the ways literature and film both reflect and influence our world.

- **Film Studies** (SATAC code 334901)

Explore a range of theoretical, historical and critical approaches to film. Discuss origins, techniques, genre, narrative, stardom, audience, and the global film industry.

- **French Studies** (SATAC code 334371)

Have you been influenced by a French artist, writer, thinker, filmmaker, politician, or fashion designer? Throughout history, French culture has profoundly impacted the world. To this day, French remains the second most studied foreign language globally. It is the official language in 29 countries and one of the only languages other than English spoken on five continents. In an increasingly globalised world, mastering French can only open doors.

- **Gender Studies** (SATAC code 334381)

Explore how society is structured around gender and other social identities, such as class, age, race and ethnicity, and how this influences people's life experience and outcomes.

- **Geography, Environment and Population** (SATAC code 334391)

Analyse environmental processes, and human interactions within them, at local and global levels. Significant world issues are considered, such as: how the world can cope with an ever-expanding population, what future cities should be like, and how climate change will impact our planet.

- **German Studies** (SATAC code 334401)

Want to discover new cultural perspectives, innovations, and achievements? Germany is Europe's largest economy. Along with Austria and Switzerland, it holds an important place in Australia's trading circles. The impact of German culture on Australia, especially in South Australia, is profound. Today, the German language continues to play a vital role as a heritage language—and a language of opportunity.

- **History** (SATAC code 334411)

Investigate our human past in all its diversity. Gain a deeper understanding of the global impact of warfare, conflict, film, migration, slavery, colonialism and commodity production, political movements, religion and the law.

- **History and Philosophy of Science (minor only)** (SATAC code 314071)

Without science and its discoveries, modern life would be unrecognisable. In this minor you'll explore: how science works, and how it came to be the way it is now. You'll investigate how scientific knowledge is generated, develop your scientific literacy, and apply your understanding to practical issues arising when science is set in a human context.

- **Indigenous Knowledges and Society** (SATAC code 334421)

Explore issues of concern to Indigenous peoples, including culture, language, the environment, history and politics, and deepen your understanding of the significance and value of First Nation knowledge systems in a changing world.

- **International Business (minor only)** (SATAC code 314071)

Understand the complex and dynamic forces that impact the global economy, and focus on specialised areas of international management and marketing.

- **International Development** (SATAC code 334441)

Examine issues related to poverty reduction and sustainable development, with a focus on the developing world. You'll debate the determinants of economic growth, causes of civil war, the nature of 'good governance', sources of environmental sustainability, links between gender and development, and the effectiveness of aid.

- **Italian Studies** (SATAC code 334451)

Italy is one of the most powerful economies in Europe, excelling in aerospace, infrastructure, pharmaceutical, and biomedical industries. It's Europe's second-largest manufacturer. This makes Italy a significant trading partner with Australia—and Italian a valuable language for industry internships, opportunities, collaboration, and research.

- **Japanese Studies** (SATAC code 334461)

Seeking inspiration? Look no further than Japan's innovative technology and vibrant pop culture—from their robotics and AI to anime and manga scenes. As the world's fourth-largest economy and a major trading partner with Australia, Japan also offers exciting business and career opportunities. With over 130 million Japanese speakers worldwide, learning the language will connect you to a world of new experiences.

- **Linguistics** (SATAC code 334471)

Linguistics is the study of human language, its nature, origins and uses. You'll examine language's role in human communication, how it's learned, and how it changes over time.

- **Management (minor only)** (SATAC code 314071)

Learn about administering and coordinating an organisation's resources efficiently and effectively. You'll also develop the skills to successfully manage changes in work structures, process and product technologies, employment relations, and organisational culture.

- **Marketing\*** (SATAC code 314071)

Gain a grounding in marketing theory, learn how to prepare marketing reports and plans, undertake a diagnostic case study, analyse advertisements in a variety of media, and apply market research to solve a real business problem.

- **Mathematical Sciences** (SATAC code 334481)

Develop a foundation in mathematics and statistics before specialising in applied maths, pure maths, or statistics to solve problems by collecting, analysing and modelling data.

- **Media** (SATAC code 334491)

Build a theoretical understanding of media practices, alongside practical media skills with a focus on digital and interactive media. You'll also cultivate skills in analysis, research, media writing, journalism and media technology use.

- **Modern Greek Studies** (SATAC code 334501)

Want to connect with the roots of Western thought? Modern Greek, the Greek language known in the modern era, is spoken by approximately 15-25 million people worldwide. Learning its intricacies can open doors in a changing world and connect you with a rich cultural heritage.

- **Music** (SATAC code 334511)

Delve into music from different genres around the world in its social and performance contexts. You'll learn about the history of music analysis, with a focus on music research.

- **Music Education (minor only)** (SATAC code 314071)

Study the essential principles and skills underlying music education in the 21st century, develop your core music teaching skills through study of key educational resource materials, and begin to build your own folio of sequential learning plans.

- **Philosophy** (SATAC code 334521)

What is reality? What is knowledge? Philosophy seeks to resolve the big questions using debate, reasoning and critical thinking to better understand the world, our place in it, and the nature of the human mind.

- **Politics and International Relations** (SATAC code 334531)

Explore political decision-making, justice and democracy. You'll learn about Australian politics and public policy, the politics of other countries, and the relations between them, and debate the burning issues in domestic and international governance.

- **Psychology<sup>^</sup>** (SATAC code 334541)

Psychology is the scientific study and development of useful ways of understanding people's thoughts and behaviours. You'll study the human mind and how it works, with particular attention to behaviour, and then apply your understanding to solve practical problems.

- **Sociology** (SATAC code 334551)

Sociology is the study of the experience of everyday life, how society is organised, and the social problems that arise. Sociologists think critically and imaginatively about a wide range of social issues, exploring the assumptions behind key questions.

- **Spanish Studies** (SATAC code 334561)

Want to master one of the fastest-growing languages worldwide? Over 450 million people speak Spanish and the language can be found in more than twenty countries. Spanish is also the third most used language on the internet, and is entering mainstream music at a rapid pace. Learning its intricacies will open doors in a changing world and connect you with diverse cultures across the globe.

*\* These majors cannot be taken as a first major.*

*<sup>^</sup> Further study is required to become a qualified psychologist*

## Careers

- Historian
- Parliamentary Adviser
- Translator

## You might also be interested in

- Diploma in Arts

## Bachelor of Arts (Advanced)

**SATAC code** 324671

**Duration** 3 years full-time

**Campus** North Terrace

**Guaranteed entry** ATAR: 95 or IB/interstate/overseas equivalent

**Additional entry requirements:**

Year 12 applicants must obtain an Australian Tertiary Admissions Rank (ATAR) of 95 or higher (or equivalent).

**Enquiries** [adelaide.edu.au/degree-finder](http://adelaide.edu.au/degree-finder) (search *arts*)

Curious about a wide range of ideas and issues? High-achieving? Articulate? The Bachelor of Arts (Advanced) is a distinctive degree for inquisitive students who want to excel.

### What will you do?

As a member of a small but distinctive community within the wider University, you'll work to take your knowledge and skills to a higher level. You will:

- enrol in Level 2 courses from first-year
- partner with an academic mentor who will support and encourage your intellectual development
- take a set of courses specifically designed for high-achieving students
- research and write a major independent research project on a topic of your choice
- attend exclusive events such as guest presentations, workshops, seminars, industry talks and social gatherings
- have significant input into the design and running of the Arts advanced program.

You'll also have the flexibility to tailor your degree to suit your career goals. You can choose to extend your abilities in two majors. Or take just one and complement it with a set of elective courses focused on developing your leadership and citizenship.

You have no fewer than 32 majors to select from:

- Anthropology
- Art History and Visual Cultures
- Australian Studies
- Chinese Studies
- Classics
- Creative Writing
- Criminology
- Cultural Studies
- Digital Humanities
- Economics
- Education
- English
- Film Studies
- French Studies
- Gender Studies
- Geography Environment and Population
- German Studies
- History
- Indigenous Knowledges and Society

- Indonesian Studies
- International Development
- Italian Studies
- Japanese Studies
- Linguistics
- Mathematical Sciences
- Media
- Modern Greek Studies
- Music
- Philosophy
- Politics and International Relations
- Psychology
- Sociology
- Spanish Studies

**Note:** You must maintain a GPA of 5.0 or you'll be required to transfer to the Bachelor of Arts.

## Associate Degree in Construction Management

**SATAC code** 318021

**Duration** 2 years full-time

**Campus** North Terrace

**Guaranteed entry** ATAR: 65 or IB/interstate/overseas equivalent

**Enquiries** [adelaide.edu.au/degree-finder](http://adelaide.edu.au/degree-finder) (search *construction*)

Advancing technology is creating exciting opportunities for the construction industry. Innovative digital engineering, modelling and automation techniques are changing what's possible.

Worldwide, demand is soaring for graduates with training in these areas, together with a grasp of contemporary building, project management and sustainability practices. Our Associate Degree in Construction Management will start you on this path.

### What will you do?

Taught over two years full-time within a faculty ranked 50 in the world for computer science and engineering\*, the degree leverages the University's strong industry links and world-class research.

In addition to gaining a broad understanding of the foundations of the construction industry and associated project management—you'll develop skills in using:

- new and emerging technology, including digital building-information modelling tools and automation technologies (Industry 4.0)
- civil engineering principles and technology, in real-world construction contexts
- construction project and people management, including legal requirements
- systems thinking, building science, economics and sustainability principles
- critical thinking. The degree is taught across two schools— Civil Engineering and Architecture—and wherever possible you'll share classes with students of both. This will prepare you well for a future career in which you'll frequently work alongside professionals in these areas.

### Careers

- Building Consultant
- Property Developer
- Design and Construction Manager

### You might also be interested in

- Bachelor of Construction Management
- Bachelor of Construction Management (Honours)
- Bachelor of Architectural Design

# Bachelor of Construction Management

**SATAC code** 354511

**Duration** 3 years full-time

**Campus** North Terrace

**Guaranteed entry** ATAR: 75 or  
IB/interstate/overseas equivalent

**Enquiries** [adelaide.edu.au/degree-finder](http://adelaide.edu.au/degree-finder)  
(search *construction*)

Advancing technology is creating exciting opportunities for the construction industry. Innovative digital engineering, modelling and automation techniques are changing what's possible.

Worldwide, demand is soaring for graduates with skills and understanding in these areas, together with a firm grasp of contemporary building, project management and sustainability practices. Our Bachelor of Construction Management will make these opportunities yours.

## What will you do?

Taught over three years full-time within a faculty ranked 50 in the world for computer science and engineering\*, the degree leverages the University's strong industry links and world-class research. Co-developed with industry, it features an emphasis on real-world experience, with an internship providing 456 hours of work-based training and industry internship opportunities embedded into the program during 3rd year.

In addition to gaining a broad understanding of the foundations of the construction industry and associated project management—you'll develop skills in applying and using:

- new and emerging technology, including digital engineering tools and automation technologies (Industry 4.0)
- civil engineering principles and technology, in real-world construction contexts
- construction project and people management, including legal requirements
- systems thinking, building science and economics principles
- sustainability principles to design more eco-friendly construction processes
- effective interpersonal communication, and critical thinking.

The degree is taught across two schools—Civil Engineering and Architecture—and wherever possible you'll share classes with students of both. This will prepare you well for a future career in which you'll frequently work alongside professionals in these areas. Additionally, the degree integrates learning with hands-on experience through teaching the final two years in block mode—enabling you to gain employment in industry after your second year and continue to work while you study.

## Bachelor of Criminology

**SATAC code** 324931

**Duration** 3 years full-time

**Campus** North Terrace

**Guaranteed entry** ATAR: 70 or IB/interstate/overseas equivalent

**Enquiries** [adelaide.edu.au/degree-finder](http://adelaide.edu.au/degree-finder) (search *criminology*)

Criminology is the study of crime and deviance—seeking to understand the causes of crime, the extent and consequences of crime, as well as methods of crime prevention.

### What will you do?

Our Bachelor of Criminology prepares you to think critically about crime and the criminal justice sector, as you:

- examine criminal and anti-social behaviour
- debate the causes and consequences of crime
- investigate policing and crime prevention techniques
- question justice and corrections systems
- learn how to conduct research on emerging threats, such as cybercrime, organised crime, and terrorism.

Criminology graduates are empowered to pursue a wide range of different employment opportunities. You may choose to work in an operational role in the criminal justice system, or within one of the critical external organisations supporting the sector. You may follow a path into other professional settings, such as policy-making, research, analysis or education. You could combine your degree in criminology with other degrees, majors or minors, to pursue a career in law, forensics or psychology, amongst others.

### Careers

- Intelligence Officer
- Jury Consultant
- Criminologist

### You might also be interested in

- Bachelor of Sociology
- Bachelor of Arts
- Bachelor of Laws

## Bachelor of Environmental Policy and Management

**SATAC code** 324031

**Duration** 3 years full-time

**Campus** North Terrace

**Guaranteed entry** ATAR: 70 or IB/interstate/overseas equivalent

**Enquiries** [adelaide.edu.au/degree-finder](http://adelaide.edu.au/degree-finder) (search *environment*)

Earth is home to 8 billion people with an ever-increasing population — and we're careless. Animals and plants are dying out, oceans are overfished and polluted, loggers cut down precious forests, and climate change is affecting the planet. Finding a way to live together and protect the environment could be our greatest challenge.

Environmental policy, applied effectively, can stop this from happening through land and water management, carbon mitigation and adaptation, national parks, and new approaches to sustainable development. Environmental policy makers solve problems with the community and protect the environment for a better future. They protect vital ecosystems and stand between the environment and processes that degrade it.

### What will you do?

Our Bachelor of Environmental Policy and Management challenges you to make a positive impact. You will:

- research how humans affect natural environments
- explore approaches to conservation and sustainability
- create policy and plans for managing environmental problems
- learn about climate change, biodiversity, population growth and resource scarcity.

There are also travel opportunities. We offer exchanges and study tours where you'll tackle real-life problems in vulnerable communities.

### Careers

- Parks Management
- Conservation Officer
- Environmental Compliance Officer

### You might also be interested in

- Bachelor of Arts
- Bachelor of Arts (Advanced)
- Bachelor of International Development

## Bachelor of International Development

**SATAC code** 324391

**Duration** 3 years full-time

**Campus** North Terrace

**Guaranteed entry** ATAR: 70 or IB/interstate/overseas equivalent

**Enquiries** [adelaide.edu.au/degree-finder](http://adelaide.edu.au/degree-finder) (search *international*)

Why is there global inequality? Why are some countries poor, or struggling with conflict, while others forge ahead?

Our Bachelor of International Development equips you to tackle these and other big questions surrounding the world's greatest political, economic, cultural and ecological challenges as set out in the international development agenda of the United Nations' Sustainable Development Goals.

### What will you do?

We'll support you in developing the skills, knowledge and attributes needed to make a real and positive difference in the lives of others. You will:

- examine how government, business, non-governmental and international organisations, and individuals influence development
- learn how development organisations function to achieve the UN Sustainable Development Goals
- explore the major contributing factors leading to issues such as extreme poverty, poor health, fragile governance, inequality and environmental vulnerability
- analyse possible solutions to poverty related issues in the developing world
- learn and practise a range of skills required in the field.

You can get in-country experience by studying abroad. The University partners with the Australian Consortium for 'In-Country' Indonesian Studies which offers a Development Studies Professional Practicum. As part of the Bachelor of International Development, we offer a yearly Vietnam Study Tour, and study tours related to international development in Asia-Pacific, Africa and Latin America. You will also have the opportunity to apply for the Tetra Tech Coffey International Development scholarship and internship – a development organisation based in Adelaide.

### Careers

- Policy Advisor
- Community Development Officer
- Humanitarian / Aid Worker

### You might also be interested in

## Bachelor of International Relations

**SATAC code** 334021

**Duration** 3 years full-time

**Campus** North Terrace

**Guaranteed entry** ATAR: 70 or IB/interstate/overseas equivalent

**Enquiries** [adelaide.edu.au/degree-finder](http://adelaide.edu.au/degree-finder) (search *international*)

The world is changing. What is causing that change? Can conflict be contained? How can nation-states and citizens influence the course of climate change. International Relations examines the political and societal forces of international change. To study it is to delve into politics, history, economics, sociology and international law.

### What will you do?

In our Bachelor of International Relations you can specialise in international relations and security, global governance, global justice, citizenship and human rights. In core studies you will:

- study key actors in global politics and the challenges they face
- consider relationships that involve power, authority, influence, conflict, and cooperation
- analyse political institutions and business-government relations
- learn about the history of globalisation and foreign-policy making.

You can also boost your employability and cross-cultural awareness by:

- studying a language
- going on overseas study tours
- completing an internship
- enrolling in overseas exchange programs.

### Careers

- Ministerial Adviser
- NGO Policy Officer
- Diplomatic Corps

### You might also be interested in

- Bachelor of Arts
- Bachelor of Arts (Advanced)
- Bachelor of International Development

## Diploma in Languages

**SATAC code** Various – search degree finder

**Duration** 1 year full-time

**Campus** North Terrace

**Prerequisites** Enrolment in, or graduation from, an undergraduate or postgraduate degree at the University of Adelaide or another recognised tertiary institution.

**Enquiries** [adelaide.edu.au/degree-finder](http://adelaide.edu.au/degree-finder) (search *languages*)

Our Diploma in Languages is set up so you can study a language alongside your primary degree. The language courses are sequential – each course builds on the knowledge gained in the previous one – so your language studies spread across three years. You'll gain an additional qualification and add a language to your résumé.

Our diploma is open to domestic students from other universities. We also welcome Australian or New Zealand citizens—or permanent Australian visa holders—who've already completed an undergraduate degree.

### What will you do?

We offer the following languages at both beginner and advanced levels:

- Chinese Studies
- French Studies
- German Studies
- Indonesian Studies
- Italian Studies
- Japanese Studies
- Modern Greek Studies
- Spanish Studies.

**Note:** it's not possible to study Indonesian Studies, Italian Studies or Modern Greek Studies as part of a Diploma in Languages on its own. These languages (taught by Flinders University staff at our North Terrace campus) are only available if you're studying a University of Adelaide degree at the same time. They're not open to graduates or students from other universities.

### Careers

- Linguist
- Foreign Affairs
- Diplomatic Corps

### You might also be interested in

- Bachelor of Languages
- Bachelor of Arts
- Bachelor of International Relations

## Bachelor of Languages

**SATAC code** Various – search degree finder

**Duration** 3 years full-time

**Campus** North Terrace

**Guaranteed entry** ATAR: 70 or IB/interstate/overseas equivalent

### Prerequisites

**SACE:** Stage 2 language subject other than English (LOTE), or IB/interstate/overseas equivalent.

**Enquiries** [adelaide.edu.au/degree-finder](http://adelaide.edu.au/degree-finder) (search *languages*)

Do you have a passion for languages? Are you fascinated by their complexity and deep entwinement with culture? Do you want to travel and connect in richer ways?

In a changing world, the study of languages has never been more relevant.

### What will you do?

Our Bachelor of Languages is interactive and immersive. Whether you've studied a language to Year 12 level (or equivalent) or are just setting out on your language journey, we offer different streams to cater to your level of knowledge. You will:

- develop proficiency in one or more languages
- enhance your knowledge of the cultures they originate from
- heighten your awareness of language systems
- understand language's role in society
- build a greater appreciation of cultural diversity.

Our majors are:

- Chinese Studies
- French Studies
- German Studies
- Indonesian Studies
- Italian Studies
- Japanese Studies
- Modern Greek Studies
- Spanish Studies.

You can also major in Linguistics.

## Bachelor of Media

**SATAC code** 324041, various refer to Degree Finder

**Duration** 3 years full-time

**Campus** North Terrace

**Guaranteed entry** ATAR: 70 or IB/interstate/overseas equivalent

**Enquiries** [adelaide.edu.au/degree-finder](http://adelaide.edu.au/degree-finder) (search *media*)

Media professionals are analysers, creators and communicators. They understand people, technology and popular culture. They use words, images and sounds to tell stories and influence audiences. Learn to create impactful media content for any career context. Whether you want to work in journalism, entertainment, gaming, social media, marketing, design, public relations, photography, or film, you will discover how to produce highly effective, well-informed media or a wide range of fields, audiences and platforms so you can make an impact in your career, and society.

### What will you do?

Our Bachelor of Media offers eight different specialisations: Social Media and Digital Promotion, Immersive Media, Visual Design, Story Production, Digital Humanities, Journalism, Marketing, and Film Studies. These specialisations give you a chance to:

- understand the media industry and the issues shaping it
- analyse changing media technologies and audience trends
- gain real-world experience with established and emerging media industries
- create engaging content to entertain, inform and educate audiences
- learn how to communicate and produce media for a range of contexts
- design digital entertainment experiences
- create captivating and immersive stories

### Careers

- App Developer
- Content Writer
- Social Media Strategist

Out of chaos, classical music finds harmony. Our Bachelor of Music (Classical Performance) shows you where to look.

Whether you express your music with an instrument or with your own voice, you can link yourself to a tradition that reaches back through centuries.

### What will you do?

You'll attend workshops, rehearsals and masterclasses, and receive one-on-one vocal or instrumental training. We offer the following specialisations:

- classical voice
- classical brass (trumpet, trombone, tuba, French horn, euphonium)
- classical keyboard (piano, organ, harpsichord)
- classical percussion
- classical strings (violin, viola, cello, double bass, guitar, harp)
- classical woodwind (flute, clarinet, oboe, bassoon, saxophone, recorder).

You'll also:

- listen to the greats and immerse yourself in music theory
- take classes in technique and repertoire
- participate in ensemble activities
- explore aural, theoretical and historical studies
- benefit from weekly performance opportunities with feedback from both staff and students.

(search *music*)

Theatre artists are keen, creative and collaborative professionals who perform across a range of disciplines including acting, singing and dancing. They work hard to bring stories to life and entertain audiences around the world.

### What will you do?

Our Bachelor of Music Theatre welcomes you into a vibrant community as enthusiastic about music theatre as you are. You will:

- study at the prestigious Elder Conservatorium of Music in the centre of Adelaide's cultural hub
- receive intensive, individualised training in singing and song coaching, as well as classes in dance, acting and music
- develop broad cultural and inter-disciplinary awareness
- build skills in communication, collaboration, self-confidence, physical presence and analytical insight
- benefit from the expertise of our highly accomplished and industry-active staff.

You'll also gain valuable experience through University partnerships with Adelaide Festival, South Australian Film Corporation, Adelaide Cabaret Festival and Adelaide Fringe.

### Careers

- Actor / Performer
- Artistic Director
- Theatre Director

### You might also be interested in

- Bachelor of Music (Advanced)

- Bachelor of Music (Classical Performance)
- Bachelor of Arts

## Bachelor of Philosophy, Politics and Economics

**SATAC code** 334691

**Duration** 3 years full-time

**Campus** North Terrace

**Guaranteed entry** ATAR: 70 or IB/interstate/overseas equivalent

**Enquiries** [adelaide.edu.au/degree-finder](http://adelaide.edu.au/degree-finder) (search *politics*)

Understanding social complexities requires looking through more than one lens.

Students of philosophy, politics and economics are deeply acquainted with social and political institutions. They reason rigorously and reflect on moral and ethical values. They understand how resources must be managed and that economics influences everything.

### What will you do?

Our Bachelor of Philosophy, Politics and Economics has a structure unique in South Australia, and highly regarded internationally. You will:

- learn broadly across all three areas before focusing on your chosen discipline
- analyse complex political and economic scenarios
- critically debate morality, freedom and social justice
- understand and develop responses to pressing real-world problems
- benefit from contact and mentoring with experts and researchers
- gain practical insights from guest speakers within political and business communities
- career plan from early on and undertake an internship aligned with your goals.

### Careers

- Business Data Analyst
- Parliamentary Adviser
- Politician

### You might also be interested in

- Bachelor of Arts
- Bachelor of Arts (Advanced)
- Bachelor of Economics

## Bachelor of Sociology

**SATAC code** 334011

**Duration** 3 years full-time

**Campus** North Terrace

**Guaranteed entry** ATAR: 70 or IB/interstate/overseas equivalent

**Enquiries** [adelaide.edu.au/degree-finder](http://adelaide.edu.au/degree-finder) (search *sociology*)

What divides us? What causes inequalities? How does the media influence our lives?

Sociology is the study of human activity in societies. It's concerned with group interactions and their consequences. It's about questioning the social world and how it fits together.

Sociologists research human experience and offer new perspectives. They explore diverse topics—from race and gender, to religion, love and war.

### What will you do?

Our Bachelor of Sociology challenges you to think critically, promote positive social change and empower those in need. You will:

- identify societal trends and power structures
- debate and problem-solve around social issues
- study influential thinkers throughout history
- develop high-level analytical and research skills
- investigate areas of interest such as crime prevention, social control, globalisation, cultures and subcultures.

### Careers

- Community Development Officer
- Humanitarian / aid worker
- Sociologist

### You might also be interested in

- Bachelor of Arts
- Bachelor of Arts (Advanced)
- Bachelor of Criminology

# Further study

Completed an undergraduate degree, and looking to further hone your expertise?

Whatever your career stage or goal, we offer a range of courses to help you advance your skills—from Professional Certificate and Graduate Certificate to Graduate Diploma, Masters and PhD.

## Explore our postgraduate degrees

[adelaide.edu.au/publications/future-students/postgraduate-coursework](https://adelaide.edu.au/publications/future-students/postgraduate-coursework)

## Learn more about our research degrees

[adelaide.edu.au/publications/future-students/postgraduate-research](https://adelaide.edu.au/publications/future-students/postgraduate-research)

## Master of Curatorial and Museum Studies

**SATAC code** 3CM249

**Duration** 2 years full-time

**Campus** North Terrace

**Entry requirements** Bachelor degree or equivalent, OR completed Graduate Diploma in Curatorial and Museum Studies, OR completed Graduate Certificate in Curatorial and Museum Studies.

**Enquiries** [adelaide.edu.au/degree-finder](https://adelaide.edu.au/degree-finder) (search *musuem*)

The way our cultural institutions collect and exhibit art, artefacts, technologies and other material culture helps to shape the way society sees itself. Learning how to work with such collections underpins a wide variety of careers in the global cultural and heritage sectors.

Our Master of Curatorial and Museum Studies is a cutting-edge program which challenges existing museum theory and practice and looks to museums as dynamic, ever-changing cultural institutions. We focus on providing a solid grounding in museum theory while also ensuring students learn core practical skills in museum practice.

### What will you do?

Delivered in cooperation with key cultural institutions in South Australia, including the South Australian Museum, the History Trust of South Australia, and MOD. (the University of South Australia's Museum of Discovery), this degree will enable you to:

- build skills in collection and exhibition development, and museum and gallery management;
- enjoy extraordinary access to Adelaide's world-class cultural institutions, through regular site visits, guest lectures and internships;
- explore issues of cultural ownership and conservation, and Australian Indigenous and global heritage;
- utilise emerging technologies, including virtual reality, to develop next-generation skills in digital literacy and creative innovation;

- explore related subjects both in Arts and Humanities as well as in areas such as project management, marketing, communication, media and education;
- become part of a network of museum and heritage professionals.

### Potential careers

- Archivist
- Curator
- Museum Technician

### You might also be interested in

- Graduate Certificate in Curatorial and Museum Studies

## Master of Education

**SATAC code** 3CM151, 3CM244

**Duration** 2 years full-time

**Campus** North Terrace

**Entry requirements** Master of Education 3CM151: Successful completion of a Bachelors degree or equivalent.

Master of Education (Advanced Standing) 3CM244: Successful completion of an Australian-recognised teaching qualification at Bachelor's degree level or equivalent and two years+ teaching experience in Australia.

**Enquiries** [adelaide.edu.au/degree-finder](https://adelaide.edu.au/degree-finder) (search *education*)

The Master of Education is designed for professionals working in the education industry including school leaders, teachers, educational consultants and trainers or students wishing to pursue leadership opportunities within schools. It is also suitable to study as preparation to teach in the higher education environment, or to develop your research capacity and transition into educational research and lead educational change.

This flexible degree focuses on three specialisations and electives to meet your professional learning needs.

### What will you do?

We offer three areas of specialisation:

- **Educational Leadership and Wellbeing** - examine evidence-based approaches to wellbeing support—alongside leadership and management theory—and consider how these can be applied to lead educational change.
- **English Language Teaching (ELT/TESOL)** - learn the latest strategies for effective English Language Teaching
- **Research** - strengthen your educational research skills and understandings, with opportunities to progress to a PhD.

The Master of Education is offered in a blended mode with flexible learning at your own pace. Classes are offered in a range of convenient modes, including face-to-face and via online learning, workshops and intensives.

**Note:** This program does not constitute the requirements for a recognised teaching qualification.

### Careers

- Education Consultant
- Policy Adviser
- Policy Developer

### You might also be interested in

- Graduate Certificate in Education
- Graduate Diploma in Education Studies
- Professional Certificate in Education

## Make history with a PhD

At the University of Adelaide, we offer PhD and Masters-level research degrees in every discipline under the supervision of globally recognised experts. We can also help broaden your experience and connections through industry-embedded PhDs, internships or a jointly awarded PhD with our fellow world-

leading, research-intensive domestic and international partners.

For more information, including a step-by-step guide on how to apply for a Higher Degree by Research program, visit: [adelaide.edu.au/publications/ua/media/455/getting-your-phd.pdf](https://adelaide.edu.au/publications/ua/media/455/getting-your-phd.pdf)

## Master of Public Policy

**SATAC code** 3CM240

**Duration** 2 years full-time

**Campus** North Terrace

**Entry requirements** Bachelor degree or equivalent with a minimum GPA of 4.0; OR Successful completion of the Graduate Certificate in Public Policy; OR Successful completion of the Graduate Diploma in Public Policy.

Applicants must provide a detailed CV with their application.

**Enquiries** [adelaide.edu.au/degree-finder](https://adelaide.edu.au/degree-finder) (search *public policy*)

Public policy shapes our lives. It governs everything from how we do business, to how our health, welfare and education systems operate, and how our nation engages with the world.

Those who set and/or influence policy can create profound change by improving things like community equity, diversity, wellbeing, security and prosperity. Our Master of Public Policy prepares you to take the lead.

### What will you do?

The Master's program is studied over two years full-time, or 18 months if extending a past bachelor degree.

It provides specialist knowledge in policy processes and governance institutions; advanced skills in policy analysis and research; and the capability to design and implement sound policy in complex environments.

Highly interdisciplinary, the degree integrates knowledge from the University's world-class experts in politics, international relations, economics, law, environmental and social sciences, strategic communications, philosophy and more. You will gain:

- deep understanding of political, legal and ethical issues affecting public policy
- broad awareness of public policy's underlying economic principles
- advanced skills in community engagement and its analysis

- the opportunity to explore interests in specialist areas, such as international trade, human rights, environmental planning and governance, global food and agribusiness, public health, education and more
- high-level research skills, through a major final-year research project.

### Potential careers

- Compliance Officer
- Policy Adviser
- Risk Analyst

### You might also be interested in

- Graduate Certificate in Public Policy
- Graduate Diploma in Public Policy
- Professional Certificate in Public Policy

## Master of Teaching (Secondary)

**SATAC code** 3CM255

**Duration** 2 years full-time

**Campus** North Terrace

**Entry requirements** A Bachelor degree or equivalent from a recognised Australian or international higher education institution. Applicants must have at least a teaching area major and a teaching area minor (or specialisation), which align with available specialist teaching areas in the Australian Curriculum and/or the South Australian Certificate of Education (SACE) curriculum. A teaching area major is the equivalent of a total of three-quarters of a year full-time study. A teaching area minor is the equivalent to one-half year of full-time study. A minimum GPA of 4.5 is required.

**Enquiries** [adelaide.edu.au/degree-finder](https://adelaide.edu.au/degree-finder) (search *teaching*)

The Master of Teaching program is designed to provide pre-service teachers with professional education studies, discipline-specific curriculum and pedagogical skills, providing graduates with a competitive edge in the teaching job market.

### What will you do?

- Take courses on contemporary educational issues and social contexts
- Build understandings of adolescent behaviour, learning and motivation
- Learn to support student wellbeing and positive student-teacher relationships
- Learn how to teach discipline-specific content to secondary students in schools
- Complete three full-time supervised teaching blocks of 70 days in South Australian schools
- Undertake a practice-based research project.

### Potential careers

- Teacher
- Education Coordinator
- Curriculum Developer

### You might also be interested in:

- Graduate Certificate in Education
- Graduate Diploma in Education Studies

# Open Day 2024

You're invited • Sunday 11 August

Open Day is your chance to get a taste of what the University of Adelaide is all about.

Held in August each year, Open Day offers you a chance to:

- see our picturesque campus and world-class facilities up close
- hear from our award-winning teaching staff
- discover our wide range of study areas and degrees
- speak with current students and recent graduates
- explore all that campus life has to

offer—including student clubs, university sport, and the huge variety of social events run through the year

- learn about the range of support services available to help you thrive throughout your studies and beyond.

Dive into a day packed with exciting activities, enlightening talks and presentations, campus tours, and much more.

To find out more or register, visit our website.

# The Academy by Deloitte

Developing  
industry-aligned,  
career ready skills

**Deloitte.**

The University of Adelaide and global organisation Deloitte join forces to develop a world-class student experience delivering the in-demand business skills of tomorrow.

- ✓ Paid internship with Deloitte, solving real client problems
- ✓ Tailored electives and professional skill-building
- ✓ Immersive work experience opportunities across multiple industries
- ✓ Postgraduate Professional Certificate completed concurrently with your degree

Open to students studying degrees in Arts, Business, Health, Law, Economics, Sciences, Engineering and Technology.

## Year 12 tuition courses

We deliver SACE Stage II and study assist subject preparation and revision courses, designed to help Year 11 and Year 12 students achieve their full academic potential and prepare for future tertiary study.

Courses are run throughout the year during school holidays at our North Terrace campus in Adelaide's CBD.

### Subject courses

- Biology
- Chemistry
- Mathematical Methods
- Physics
- Specialist Mathematics

### Study Assist courses

- Exam Preparation and Techniques
- Excelling in Year 12
- Study Skills

# Support for Aboriginal and Torres Strait Islander students

[adelaide.edu.au/wirltu-yarlu](https://adelaide.edu.au/wirltu-yarlu)

The University of Adelaide is committed to empowering and uplifting Aboriginal and Torres Strait Islander students. Wirltu Yarlu provides a culturally enriching environment that nurtures students throughout their educational journey.

## Starting from high school

The Karnkanthi Education Program delivered by Wirltu Yarlu is a groundbreaking initiative that aims to provide Aboriginal and Torres Strait Islander High School students (years 10 to 12/13) with early support, tools and inspiration to succeed in their studies, helping future students build their academic confidence to consider and pursue a university education. This innovative program has no cost to students or their families.

## To applying for University

Wirltu Yarlu helps make the application and transition to university life more accessible. The Unit is dedicated to making university life enjoyable for its students offering a wide range of services and support that complement the University's existing resources, including tailored support from the Wirltu Yarlu Student Services Officers (SSOs).

## And on-going support when you're here

The SSOs work closely with Faculties and other University services to enhance the student experience, applying a cultural and holistic lens at every step of the journey, enabling a space and community that fosters growth and celebrates Aboriginal and Torres Strait Islander students to feel proud of their Culture and confident in their academic abilities.

“

**My fondest memories of studying at the University of Adelaide are definitely of the friendships formed with other students, especially at Wirltu Yarl. The support, encouragement, and belief in my achievement that I received kept me going in the tough times and ensured I had some light moments of relief even when assignments and exams loomed large.”**

**Rebecca Richards**

Adnyamathanha and Barngarla  
University of Adelaide graduate  
and Australia’s first Indigenous Rhodes Scholar

# Applying to the University of Adelaide

## How to apply

Applications to University of Adelaide undergraduate programs are made online via SATAC: [satac.edu.au](https://satac.edu.au)

The application closing date for 2025 entry is 30 September 2024. Bachelor of Bachelor of Medical Studies/Doctor of Medicine, Bachelor of Oral Health and Bachelor of Dental Surgery applicants should refer to the UCAT ANZ website for information on the University Clinical Aptitude Test (UCAT ANZ) including application and test dates: [ucat.edu.au/ucat-anz](https://ucat.edu.au/ucat-anz)

International students should refer to: [international.adelaide.edu.au/admissions/apply](https://international.adelaide.edu.au/admissions/apply)

## Entry pathways

There are many pathways applicants can take to apply to the University of Adelaide, including Year 12, International Baccalaureate (IB), Subject-based entry, STAT, TAFE, Aboriginal and Torres Strait Islander Access Pathways, preparatory programs, foundation study and more.

To find out more about the available pathways, visit [adelaide.edu.au/study/](https://adelaide.edu.au/study/) undergraduate and select 'Entry Pathways' from the menu.

## HECS Higher Education Loan

The Australian Parliament has recently passed amendments to the Higher Education Support Act 2003, which will affect students studying in a Commonwealth supported place from 1 January, 2021. The changes include:

- Adjusting the maximum Student Contribution amounts for different areas of study, for students commencing a new program in 2021
- Grandfathering Student Contribution amounts for continuing students
- Re-introducing the 10% HECS-HELP discount, for HECS-HELP eligible students who make an up-front payment of \$500 or more towards their Student Contribution amount
- All Commonwealth supported students, and students accessing any of the HELP loans, must provide their valid Unique Student Identifier (USI).

For more information, please visit [education.gov.au/job-ready/faqs](https://education.gov.au/job-ready/faqs)

## Student services and amenities fee

Students are charged an annual student services and amenities fee (SSAF) to assist with the funding of student services and amenities at the University. In 2024, the SSAF amount for full-time students was \$351, and for part-time students it was \$263. Fees may increase in 2025. Eligible students may defer this fee to an SA-HELP loan.

For further information about the SSAF and SA-HELP, visit [adelaide.edu.au/student/finance/ssaf](https://adelaide.edu.au/student/finance/ssaf) and select 'Student Services & Amenities Fee (SSAF)'.

## Additional costs

Students may be required to pay for specialist equipment, reading materials, etc. Students are advised not to purchase any equipment until they receive their faculty/school handbook, available during orientation.

For more information on other program-related fees and charges, visit [adelaide.edu.au/student/finance](https://adelaide.edu.au/student/finance) and select 'Other Fees and Charges'.

## 2024 fees and costs

(may increase for 2025) [adelaide.edu.au/student/finance/domestic/contribution](https://adelaide.edu.au/student/finance/domestic/contribution)

Areas of study	Student contribution per 1 EFTSL (24 units)	Student contribution per 0.125 EFTSL (3 units)
<b>Band 1:</b> Agriculture, English, Languages, Mathematics, Nursing, Postgraduate Clinical Psychology, Teaching	\$4,445	\$555
<b>Band 2:</b> Allied Health, Architecture, Engineering, Environmental Studies, IT, Performing Arts, Professional Pathway Psychology*, Science	\$8,948	\$1,118
<b>Band 3:</b> Dentistry, Medicine, Veterinary Science	\$12,720	\$1,590
<b>Band 4:</b> Accounting, Administration, Behavioural Science (not Professional Pathway Psychology*), Economics, Humanities, Law, Media, Social Studies	\$16,323	\$2,040

### Adjustment factors

SATAC centrally administers two South Australian Universities adjustment factors schemes. The two schemes are the SA Universities Equity Scheme and the SA Language, Literacy and Mathematics Adjustment Factors Scheme.

For more details, visit [adelaide.edu.au](https://adelaide.edu.au) and search 'adjustment factors'.

### Degree intake

Many undergraduate degrees will allow students to begin study in February or July. Please refer to individual degrees on Degree Finder ([adelaide.edu.au/degree-finder](https://adelaide.edu.au/degree-finder)) to check whether midyear entry is available.

Where Degree Finder states 'subject to availability' applicants should contact our Future Students Team for more information: [future.ask@adelaide.edu.au](mailto:future.ask@adelaide.edu.au)

### Deferring your studies

Most undergraduate degrees can be deferred for up to two years. Please refer to specific degrees for exceptions.

### English language requirements for international students

All international students undertaking an Australian Year 12 program are required to achieve a Pass grade or above in one of the approved English as a Second Language or English language subjects. If an applicant attempts, but does not pass, the English language subject, then alternative options, such as an acceptable English language proficiency test result, may be arranged.

Successful completion of the International Baccalaureate (IB) diploma meets the English language requirements of the University of Adelaide.

### Unique Student Identifier

A Unique Student Identifier (USI) is a reference number that creates an online record of your qualifications attained in Australia. All students undertaking a higher education qualification, need a USI in order to receive a qualification upon successful completion from 2023, and to receive commonwealth financial assistance from 2021.

For more details, visit [usi.gov.au/students/get-a-usi](https://usi.gov.au/students/get-a-usi)

### More information

Find answers to your questions using our online Knowledge Base, or our helpful staff can respond via email to your enquiries. Please see back cover for contact details.

### **Kaurna acknowledgement**

We acknowledge and pay our respects to the Kaurna people, the original custodians of the Adelaide Plains and the land on which the University of Adelaide's campuses at North Terrace, Waite, and Roseworthy are built. We acknowledge the deep feelings of attachment and relationship of the Kaurna people to country and we respect and value their past, present and ongoing connection to the land and cultural beliefs. The University continues to develop respectful and reciprocal relationships with all Indigenous peoples in Australia, and with other Indigenous peoples throughout the world.
