

# Industry Engaged PhD (IEP): Compulsory CaRST Activity Record

In order to satisfy program requirements, PhD students participating in an Industry Engaged PhD (IEP) program are required to complete at least 4 out of the following 8 Career and Research Skills Training (CaRST) activities throughout candidature.

For more information on how to book or access the CaRST activity, visit CaRST Online ([carst.adelaide.edu.au](http://carst.adelaide.edu.au)) and use the activity code to search for the activity.

When an activity is completed, record the date in the form below. Once all activities have been completed, obtain your supervisor's signature, scan and return the form to [hdrindustryenq@adelaide.edu.au](mailto:hdrindustryenq@adelaide.edu.au). Please also attach a copy of your CaRST Record from CaRST Online, which lists the completed activities.
