ROSEWORTHY OLD COLLEGIANS ASSOCIATION Inc ABN 67 136 400 891 Notes to the Financial Statements for the year ended 30 June 2015

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements are special purpose financial statements prepared in order to satisfy the financial reporting requirements of the Associations Incorporations Act 1985. The Committee has determined that the association is not a reporting entity.

The financial statements have been prepared on an accruals basis and are based on historic costs and do not take into account changing money values or, except where stated specifically, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period unless stated otherwise, have been adopted in the preparation of these financial statements.

Cash on Hand

Cash on hand includes cash on hand and term deposits.

Impairment of assets

At the end of each reporting period, the Committee reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset being the higher of the asset's fair value less costs to sell and value in use, to the asset's carrying amount. Any excess of the asset's carrying amount over its recoverable amount is recognised in the Statement of Profit or Loss.

Revenue and other income

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. For this purpose, deferred consideration is not discounted to present values when recognising revenue.

Interest revenue is recognised using the effective interest method.

Grant and donation income is recognised when the entity obtains control over the funds, which is generally at the time of receipt.

Accounts Payables and Other Payables

Accounts payable and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the association during the reporting period that remain unpaid. The balance recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

Comparatives

Comparative amounts for prior periods presented in the financial statements includes the consolidation of the Wine Fund Raising Project. This had an impact of increasing prior year profit and equity by \$8,232.
