

Research Mountain

What to do, how to start,
what's my plan?

Explore books, net and
with you own two hands.

Finding with determination

Check the information

Can I see the way? My thinking has a plan.

Be on time, organise, does it flow?

Understand. Does it match what I know?

When we dig for information,

It rules out speculation,

Now you should be sure of EVERYTHING you know!

Let's start the show!

To the tune of "She'll be Coming 'Round the Mountain when She comes."
