

Adelaide Summer Research Scholarship 2016-17

These scholarships are open to continuing undergraduate students who wish to undertake a six week research project at the University of Adelaide over the 2016/2017 summer vacation.

Students who have completed at least two years of their program, at a standard acceptable level for admission to an Honours program, will be considered in the first instance. Students should ensure that an appropriate research project is available within their Faculty/School.

In exceptional circumstances students who have completed less than two years of study may be considered.

Students who are in receipt of, or expect to receive any other summer or vacation scholarships over the 2016/2017 summer vacation (e.g. National Heart Foundation Summer Scholarship, Cancer Council Vacation scholarships) are not eligible for the Adelaide Summer Research Scholarships unless the other scholarship is for a separate research project.

Each scholarship provides a living allowance of at least \$200 per week for six weeks.

The Scholarship must be taken up in the year at the time it is offered; acceptance of the Scholarship offer cannot be deferred. If a student declines the Scholarship offer, the Scholarship will be offered to the next eligible student.

Applications for this scholarship close 5pm, Friday 7 October 2016.

Please note only completed applications will be considered.

Please ensure all signatures are provided before submitting.
