

HOW TO APPLY

Adelaide Refugee and Humanitarian Scholarship (Undergraduate and Postgraduate Coursework)

Note: These scholarships are only available to students undertaking study at the University of Adelaide. Should you wish to study a program that is only offered at another institution, then you will need to look for alternative scholarships (try State Government, Local Councils and not-for-profit organisations). You should also contact the institution to obtain advice about your eligibility for any scholarships that may be offered by that institution.

Step 1: Carefully check the scholarship eligibility requirements

Full information is available on the Scholarships page:

Adelaide Refugee & Humanitarian Undergraduate Scholarship - <https://scholarships.adelaide.edu.au/scholarship/ug/all/adelaide-refugee-and-humanitarian-undergraduate-scholarship> - ensure that you read the FAQ's and application form thoroughly.

Step 2: Research programs and check the entry requirements

Use Degree Finder to look up the various Bachelor or Postgraduate Coursework programs that are available at the University of Adelaide: <http://www.adelaide.edu.au/degree-finder/> - when choosing a program, consider your current skills and abilities, what interests you and the job prospects available for each program.

Check the minimum entry requirements, pre-requisites and selection criteria. For English language requirements, additional application requirements and downloadable forms, read the information available at: <https://international.adelaide.edu.au/admissions/how-to-apply/admission-requirements>

Step 3: Speak to a Future Student Advisor

To ensure that you are making the right decision and have had all of your questions answered, all applicants for the Adelaide Refugee and Humanitarian Scholarships (Undergraduate and Postgraduate Coursework) are encouraged to speak with a Future Student Advisor. Whether in person or on the phone, our friendly Future Student Advisors are here to help find the best pathway for you. Drop into campus to see them on Level 5 of the Oliphant Building (see campus map [here](#)). Alternatively you can email start@adelaide.edu.au.

Step 4: Apply to the University of Adelaide

As a BVE, TPV or SHEV holder you are considered as an International Student. Visit <https://international.adelaide.edu.au/admissions/how-to-apply/apply-now> and read the information carefully to ensure that you have all of your documentation ready. You will need to pay a \$110 application fee.

When you submit your online application, you will be asked to provide details about your Australian Residency Status. Please select "Holder of a student visa, temporary resident visa or visitor visa". Please also upload a copy of your visa.

Step 5: Check your emails

Your Letter of Offer to study at the University of Adelaide (if you are successful) or notification of an unsuccessful application will be sent to you (or your agent, if applicable) via email.

Step 6: Submit your scholarship application

If you have received a letter of offer to study at the University of Adelaide, you may now return your Offer Acceptance with evidence that you meet any conditions detailed in your Letter of Offer, such as the provision of academic documents and proof that you have met the English language proficiency requirements for your chosen degree.
