

# ADMISSIONS TO COURSEWORK PROGRAMS POLICY

All students are advised that the [Admissions to Coursework Programs Policy](#) has been updated. The revised policy becomes effective on 1 January 2022 and it is important that you familiarise yourself with the updated policy.

Here are some of the important changes that you may need to know:

- i. You will now only need to request (not apply) to have a 12-month deferral period extended to 24-months;
- ii. All applicants to any program must be proficient in written and spoken English (only international students need to provide evidence of this);
- iii. Admission requirements to postgraduate coursework programs are now stated in full and include:
  - o relevant equivalent work experience as described in Degree Finder;
  - o successful completion of an approved enabling/pathway program;
  - o For entry to a 'nested' postgraduate program, successful completion of a lower level of the 'nested' program (so successful completion of a Graduate Diploma in XXXX meets the entry requirements to the Master of XXXX);
  - o Overseas higher education qualifications considered by the University as equivalent to the Australian qualifications required for entry as described in Degree Finder;
- iv. The University's minimum English language standards for admission have been placed into a Schedule to the Policy.

Please refer to the [Admissions to Coursework Programs Policy](#) for further information.
