Fee information

Please note, any changes will only take effect in the current study period if notification is lodged prior to the current study period's census date.

Each study period has a different census date. Please check carefully which census date applies to the course(s) you are studying by checking the critical dates: www.adelaide.edu.au/student/dates/.

Changing from a temporary resident to a permanent resident / permanent humanitarian visa

Undergraduate and postgraduate coursework students will be changed from an International place to a Domestic full fee paying place. If your program has Commonwealth supported places available, you will be emailed by the Domestic Admissions office regarding obtaining a Commonwealth supported place.

Note:

- Medicine, Dentistry and Oral Health students should speak directly to the Faculty of Health & Medical Sciences before submitting this form.
- Veterinary Bioscience and Doctor of Veterinary Medicine students should speak directly to the School of Animal and Veterinary Science before submitting this form.

Higher Degree Research Students will be converted to a Research Training Program (RTP) status for the 1st half year period if evidence of the change in status is received prior to the Semester 1 census date.

For the 2nd half year evidence of the change in status must be received prior to the Semester 2 census date. Check the critical dates to confirm: www.adelaide.edu.au/student/dates/.

Changing from a permanent resident to permanent humanitarian visa

If currently in a Commonwealth supported place a student can enter their Tax File Number into Access Adelaide via My Finances > Tax File Number in order to access [HECS-HELP](#).
