Chancellor's welcome

On behalf of the University of Adelaide I offer my sincere congratulations to you, our new graduates.

Today marks a life milestone of which you should be deservedly proud. Your new University of Adelaide degree is a passport that allows you access to a world of opportunities.

You are now part of a distinguished and diverse alumni community that stretches around the globe. Our graduates have gone on to be trailblazers in a multitude of fields— from medicine and engineering to space exploration, the social sciences, law, and the performing arts.

They have won Nobel Prizes, reached the pinnacle in politics, and helped to improve the lives of countless communities.

I encourage you to join our network of alumni and enjoy the benefits of staying connected to your University. This will open doors to lifelong learning opportunities, professional support, and membership of a welcoming fellowship in which you can share and celebrate your successes.

It is a community that is about to get even bigger. Next year, registered alumni of the University of Adelaide will come together with their UniSA counterparts to join the new Adelaide University alumni community, with more than 400,000 global citizens spanning 150 countries.

I also take this opportunity, on behalf of the University, to thank those who have supported you throughout your journey at the University of Adelaide, whether they are here with you today or joining in from afar.

This is the first step on what I trust will be a satisfying and exciting career path for you. We hope that you will always remember your university experiences with us, and the transformative part they have played in your life. I hope that the learning, skills and friendships you have gained from this institution remain with you long into the future.

My congratulations to you all.

The Honourable Catherine Branson AC SC
Chancellor

Message from the Vice-Chancellor and President

Today you graduate from a university ranked in the top 1% worldwide, following in the footsteps of outstanding scholars who have collectively transformed societies and inspired others.

The networks you built at university will stand you in good stead throughout your professional life. I strongly encourage you to maintain those professional connections as well as the friendships you have made on campus.

Moreover, you will also join the new Adelaide University alumni family in 2026, and we look forward to building a strong affinity with the new University with you over time.

You now share a lifelong affiliation with a roll call of exceptional individuals, sharing a belief in excellence and service, who have worked tirelessly to advance the common good and change their communities for the better each day.

I truly hope that you will always be open to learning and will continue to seek knowledge and pursue excellence throughout your lifetimes.

Congratulations graduates.

Acknowledgement of Country

Ngadlurlu Kurna miyurna tampinhi.
Parna yarta mathanya Wama Tarntanyaku.

University of Adelaide Kurna yartangka yuwanthi—Tarntanyangga, Waitengga, Roseworthyngga kuma. (Lit. the University of Adelaide stands on Kurna land in Adelaide (North Terrace, Waite, and Roseworthy).)

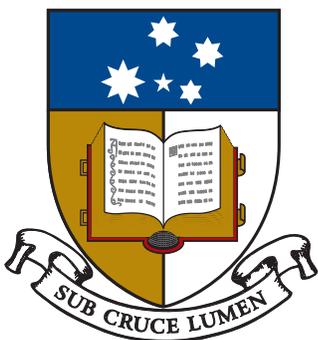

We acknowledge the Kurna people past and present, the original custodians of the Adelaide Plains and the land on which the University of Adelaide campuses are built.

The University’s two Reconciliation Statements, along with the Reconciliation Action Plan, support the objectives and strategic directions of the renewed 2019 Tarrkarri Tirka Aboriginal and Torres Strait Islander Strategy. Together, these statements document the University’s ongoing commitment to Aboriginal and Torres Strait Islander empowerment and self-determination.

The University campuses are located on inscribed country and the land holds many stories, every feature in this landscape is imprinted with meaning and lore. North Terrace has always been a place of learning where ceremony and conference were hosted annually.

Coat of Arms

The University of Adelaide’s coat of arms was granted to the University by the College of Arms, London, in 1925. It is the official symbol of the University and the stamp which ratifies every degree parchment bestowed by the University.

The crest or shield displays an open book and five stars; one of eight, two of seven, one of six and one of five points—representing the Southern Cross. A scroll containing the University’s Latin motto sits directly below the shield; Sub Cruce Lumen, meaning ‘The light (of learning) under the (Southern) Cross’.

Bonython Hall

Bonython Hall is the University of Adelaide’s ‘great hall’. It was built in the years of 1933–1936 using a generous donation of over £50,000 from renowned public benefactor Sir John Langdon Bonython.

Planned construction of Bonython Hall was surrounded in controversy. Colonel William Light, Surveyor-General for the City of Adelaide, had an original vision to extend Pulteney Street north towards North Adelaide. The Adelaide City Council was keen to see his plans carried out.

Following much debate, it was City Alderman and lawyer George McEwin who was able to convince the City Council of the University’s master plan and evolving architectural beauty. Further, he pointed out that the City Council had no legal prerogative to construct roads on the private property of the University.

Consequently construction of the great hall began. This proved a critical juncture in the University’s history—resulting in the University of Adelaide expanding to become one of the most picturesque campuses in the country. Today, Bonython Hall is home to all onshore graduation ceremonies and a number of official University events.

About the Organ

The organ in Bonython Hall was installed in 2002. Made in England to a tonal design by the leading Dutch firm Johannus Orgelbouw, it uses custom-built speakers to reproduce digital recordings of individual organ pipes with the acoustic qualities of a piped instrument. The four manual instrument is the largest of its type in Australia.

University Mace

Thousands of years ago the Mace, a heavy club weighted at one end, was used as a blunt weapon in battle. In the sixteenth century the Mace came to be used more ceremonially—representing a symbol of protection of the King. Today, the Mace is celebrated as a symbol and warrant of office, particularly of royal or ecclesiastical office, and of institutions deriving authority from the Crown or Church.

The University of Adelaide Mace was designed by Mr I. Milward Grey of the School of Fine Arts, North Adelaide, and was made under his personal supervision by an Adelaide firm of silversmiths.

The Mace is 24 inches in length and is made of silver gilt throughout. Seventy-three ounces, just over 2kg, of metal was used in its manufacture. The Mace head forms an orb,

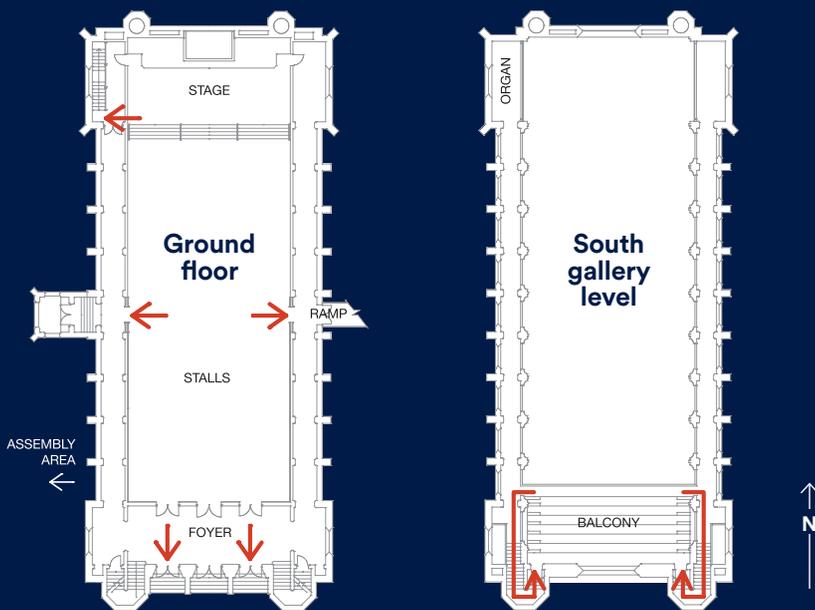

representing the world, and features a book, a symbol of learning, and a design of gum leaves on matted ground. On either side of the orb, the University's Coat of Arms is featured along with the motto: *Sub Cruce Lumen*.

The University Mace was first carried by President of the Students Council, K H Boykett, at a Jubilee procession at St Peter's Cathedral in 1926, marking the 50th anniversary since classes first commenced.

The traditional role of the Mace Bearer in the University of Adelaide graduation ceremony is to protect the Chancellor, meaning the bearer of the Mace always precedes the Chancellor in the academic procession.

Academic dress

Academic dress, including the full-length robe, hood and classical headwear, dates back to the medieval 12th and 13th centuries in Europe when universities, as we know them today, were developing.

The regalia were originally worn daily by university scholars for reasons of warmth and to reflect their status in society. The sense of purpose and propriety evoked by formal academic dress has ensured the tradition has been preserved over the centuries.

In contemporary times, academic dress is largely reserved for graduation ceremonies and formal university events.

Gown

University of Adelaide graduates wear black gowns in the Cambridge style, with the exception of:

- Professional Doctorate and PhD candidates whose gowns are black and faced with scarlet
- Higher Doctorate and Doctor of the University candidates who wear scarlet gowns faced respectively with the colour of their discipline or ultramarine blue.

Alumni tuition fee discounts

At the University of Adelaide, we value our students, recognise their passion for ongoing learning, and celebrate their success. In order to reward our graduates' hard work and academic achievements, we are delighted to offer our alumni a 15% discount on a wide range of full-fee programs for commencement in 2025.

This tuition fee discount is available to domestic students and applies to a range of Australian Full-Fee graduate courses across the University.

The Alumni Council commits to supporting a dynamic and relevant alumni program, for the mutual benefit of alumni and the University.

Awards

The influence of our alumni on the world stage is profound, creating impacts that span industries, advance the common good, and inspire others to think innovatively and creatively. We are proud to celebrate and acknowledge these achievements each year through an array of alumni awards.

Make a difference

Each year, the University receives countless enquiries and applications for financial aid from students. Our program of hardship grants, including the Student Emergency Fund, ensures students in need are encouraged and supported.

With so many students experiencing financial uncertainty each year, we value the support provided by our community.

Your gift, no matter how big or small, will support students in need, helping them to continue their studies despite the challenging circumstances they may face.

Gifts can be made online, or you can contact the Advancement Office to discuss how your gift can make a difference.
