

Quick Start Guide Depositing Publications

Depositing Publications

After claiming a publication, upload it into the repository or enter an OA location. To do this, click on the title of the publication. Select '**Deposit**'.

If your article is already available somewhere in Open Access form, you can simply enter the OA (Open Access) location URL, or you can upload the file in step 1, '**Prepare deposit**'.

Once you have completed the 3 steps and made your deposit, the status will appear on the detailed view of your publication. Changes to the status will change depending on it's progress through the process, the status steps are:

- 1. Live your publication has been accepted in Dspace
- 2. In review still to be processed in Dspace
- 3. Deposit incomplete there is information missing
- 4. Withdrawn the process has been withdrawn
