

How do I add my favourite apps to my home screen in ADAPT?

Introduction

This guide will discuss how to add your favourite apps to the home screen of ADAPT, allowing you to easily find the apps you use most, instead of scrolling through the hundreds of available.

Procedure

1. Log into ADAPT via <http://adapt.adelaide.edu.au>
2. On the left hand side, Click the + to load the application list.
3. From there, you can click on the application's Icon to add it to the home screen.
