# How do I print from ADAPT ?

## Introduction

This guide will discuss the different possibilities in printing via ADAPT.

## Follow you enabled printer

A “follow you” printer will be added, printing to this service will allow you to collect your print jobs from compatible “follow you” enabled printers. Swipe your staff/student card on the printer and collect your print. Print jobs will only be retained for a few hours, if they are not released within this time frame, they will be removed from the “follow you” service.

## Contact Us

For further support or questions, please contact the Service Desk on +61 8 8313 3000 or [servicedesk@adelaide.edu.au](mailto:servicedesk@adelaide.edu.au)
