

Applications Available in ADAPT

Introduction

The following applications are currently available on the ADAPT environment.

Legend for availability								
ADAPT Staff and Student HPC GPU (High Performance Computing)								
ADAPT Staff only								
ADAPT Staff and Student								
Application	Version	Applicable area						
		Administration	Engineering / Computer Sciences	General	Health sciences	Humanities	Professions	Sciences
AdTat								
Anaconda/Spyder								
ANSYS	19.2							
ArcGIS								
ArcGIS (HPC)								
Articulate Storyline	2							
Aspen								
Audacity	2							
Autodesk 3ds Max (HPC)								
Autodesk AutoCAD (HPC)								
Autodesk Inventor Professional (HPC)								
Autodesk Revit including Enscape (HPC)								
Autodesk Robot Structural Analysis Professional								
BEAST								
Biomatters Geneious	7.0.6							

Bitplane Imaris (HPC)				Yellow				Green
Blender (HPC)				Yellow				
Bruker Ctvol (HPC)				Yellow				
Bruker Ctvox (HPC)				Yellow				
Calculator				Green				Green
Camel			Green					Green
ChemSketch	2016.2							Green
Cherwell		Red						
Chrome				Green				
Cisco Jabber								Green
CodeBlocks			Green					
Continuity Spectrum	10.5.0	Red						
Cool Reader				Green				
Cornerstone		Red						
Cygwin			Green					
Dassault Systemes 3DEXPERIENCE (Temporary License for remote access)			Yellow					
Design Builder			Green					
Dia				Green				
DWMI Perl				Green				
ENC			Green					
Endnote	X9			Green				
EnergyPlus (HPC)			Yellow					
Envi (HPC)	5.3		Yellow					
Epanet				Green				
Erdas Imagine				Green				
Estate Master						Green		Green
eWater				Green				
Explorer U and Shared Drives				Green				Green
FigTree	1.4.3							Green
Fiji	1				Green			
Firefox				Green				
Flow 3D (HPC)			Yellow					
GenStat	19							Green
GeoGebra				Green				
GEOrient								Green
GEOVIA Whittle			Green					
Gimp				Green				
Google Chrome				Green				
Google Earth				Green				
Greenfoot			Green					
Hackety Hack			Green					
HAULSIM (HPC)				Yellow				
HEC-RAS			Green					
HPE Content Manager (formerly Trim)		Red						
Hytran								
IBM AMOS	26							Green

Skype							
Slog							
Sonia Online							
StatalC	14						
StatalC	15						
Stellarium							
Stochastic Climate Library	2.2						
Teams							
Telstra MBRS							
Therm (HPC)							
Tracer	16						
UCSF Chimera	1.10.2						
UofA Access Adelaide							
UofA Animal Ethics							
UofA Aurora							
UofA Campus Solutions							
UofA Chemwatch							
UofA Finance							
UofA HCM Human Capital Management							
UofA Human Research Ethics Approval Notification-Form							
UofA IT Service Status							
UofA Library							
UofA Madman							
UofA MyUni							
UofA ORBIT							
UofA SSO							
UofA Staff Mail OWA							
UofA Student Information							
UofA Student Mail							
UofA Unified							
Vensim							
Virtual Combustion Lab							
VLC Media Player							
VMD	1.8.7						
Wallup							
Windiff							
WinSCP							
WinTensor							
Wordpad							
WSFTP							
Xming							
Zoom
